Preliminary 2017 Financial Year Results

Cronos Group has also announced that, based upon information currently available to management, it anticipates reporting revenue of between \$3.8 and \$4.4 million for the twelve months ended December 31, 2017 (“FY 2017”), compared to \$0.6 million for the twelve months ended December 31, 2016, with the year-over-year increase resulting primarily from higher unit sales, driven primarily by (i) increased patient registration and demand, as well as (ii) the fact that FY 2017 results included Peace Naturals Project Inc. (“Peace Naturals”) revenues for the entire period whereas the 2016 financial year results included Peace Naturals revenues only from September 2, 2016, when the Company acquired Peace Naturals, until December 31, 2016.

All figures reported above with respect to the FY 2017 are preliminary and are unaudited and subject to change and adjustment as the Company prepares its consolidated financial statements for the years ended December 31, 2017 and December 31, 2016. Accordingly, investors are cautioned not to place undue reliance on the foregoing guidance.
