Dear Shareholder:

On behalf of the Board of Directors and management of Cronos Group Inc., I am pleased to invite you to the 2024 annual meeting of shareholders (the “Annual Meeting”) which will be held on June 20, 2024 at 11:00 a.m., Toronto time.

Consistent with last year, we will hold our Annual Meeting in a virtual-only format, which will be conducted via live audio webcast.

The attached Notice of 2024 Annual Meeting and Proxy Statement describes the formal business to be conducted at the Annual Meeting. Registered shareholders and duly appointed proxyholders will have an equal opportunity to participate in the 2024 Annual Meeting online regardless of their geographic location, including having the opportunity to ask questions and vote on a number of important matters. The attached Proxy Statement contains detailed instructions about how to participate in the virtual 2024 Annual Meeting.

Your vote is important. Whether or not you plan to attend the virtual 2024 Annual Meeting, please vote your shares at your earliest convenience by using the telephone and Internet voting procedures described on the proxy card or voting instruction form or, if you received a paper copy of a proxy card or voting instruction form by mail, by completing, signing, dating and returning your proxy card or voting instruction form in the envelope provided.

Thank you for your continued support of Cronos.

Sincerely,

A handwritten signature in black ink that reads "Michael Gorenstein". The signature is written in a cursive, flowing style.

NOTICE OF 2024 ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD THURSDAY, JUNE 20, 2024

NOTICE IS HEREBY GIVEN that the 2024 Annual Meeting (the “Annual Meeting”) of the holders (the “Shareholders”) of common shares (“Shares”) of Cronos Group Inc. (the “Company”) will be held on Thursday, June 20, 2024 at 11:00 a.m., Eastern time, via live audio webcast online at www.virtualshareholdermeeting.com/CRON2024. The Annual Meeting will be held for the following purposes:

1. the receipt of the audited consolidated financial statements of the Company as at and for the fiscal year ended December 31, 2023 and the auditors’ reports thereon;
2. the election to the board of directors of the Company (the “Board of Directors”) of the seven directors named in the attached Proxy Statement;
3. the adoption of an advisory (non-binding) resolution to approve the compensation of the Company’s named executive officers as disclosed in the attached Proxy Statement;
4. the appointment of the Company’s independent registered public accounting firm to serve as the Company’s independent auditor for the fiscal year ending December 31, 2024 and to authorize the Board of Directors to fix the independent auditor’s remuneration;
5. the approval of any adjournment of the Annual Meeting to a later date to be determined by the Chair of the Annual Meeting, if necessary, to permit the Company to complete the search for a successor auditor; and
6. such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

The Board of Directors is not aware of any other business to be presented to a vote of the Shareholders at the Annual Meeting.

The items of business are described more fully in the accompanying Proxy Statement. Consistent with last year, in order to reduce printing and mailing costs and as a matter of good environmental stewardship, we will be providing access to the proxy materials over the Internet under the U.S. Securities and Exchange Commission’s “notice and access” rules. As a result, on or about May 9, 2024, we are sending to most of the Shareholders a notice of availability of proxy materials instead of a paper copy of the Proxy Statement and our Annual Report for the fiscal year ended December 31, 2023. Shareholders that would like to receive a paper copy may do so by following the instructions in the Proxy Statement.

Consistent with last year, we will hold our Annual Meeting in a virtual-only format, which will be conducted via live audio webcast. Registered Shareholders and duly appointed proxyholders, including non-registered Shareholders who have duly appointed themselves as a proxyholder, will have an equal opportunity to participate in the Annual Meeting online regardless of their geographic location, including asking questions and voting, all in real time, provided they are connected to the Internet and comply with all of the requirements set out in the attached Proxy Statement. Rules of conduct for the Annual Meeting will be posted on the virtual meeting site for the convenience of Shareholders.

The Board of Directors has fixed 5:00 p.m., Eastern time, on April 25, 2024 as the record date for determining the Shareholders entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements thereof.

Non-registered Shareholders who have not duly appointed themselves as a proxyholder will be able to listen to the Annual Meeting as guests, but guests will not be able to ask questions or vote at the Annual Meeting. A registered Shareholder who wishes to appoint a person, other than the Board nominees identified on the proxy card, as a proxy must carefully follow the instructions in the attached Proxy Statement and on such registered Shareholder’s proxy card. These instructions include the additional step of registering such proxyholder with the Company by following the instructions in such registered Shareholder’s proxy card. Failure to register the proxyholder will result in such proxyholder not being able to participate in the Annual Meeting and only being able to listen to the Annual Meeting as a guest.

Registered Shareholders as of 5:00 p.m., Eastern time, on the record date of April 25, 2024 may exercise their right to vote by completing and submitting the proxy card provided to them. To be effective, the proxy must be received by Broadridge prior to 11:59 p.m., Eastern time, on June 18, 2024 or, in the case of any adjournment or postponement of the Annual Meeting, prior to 11:59 p.m., Eastern time, on the date that is two business days before the date of the adjourned or postponed meeting. Registered Shareholders may also vote their Shares by participating in the Annual Meeting. Detailed instructions on how to complete and return proxies or vote by telephone or electronically using the telephone and Internet voting procedures are provided in the attached Proxy Statement.

Non-registered Shareholders, including those who hold Shares in the name of a bank, trust company, securities dealer or broker, or other intermediary, will receive a voting instruction form. The voting instruction form contains instructions on how to complete the form, where to return it to and the deadline for returning it, which may be earlier than the deadline for registered Shareholders, and whether telephone or Internet voting options are available. If you do not receive such voting instructions or are unsure about anything in such voting instructions, contact your bank, trust company, securities dealer or broker, or other intermediary through which you hold your Shares.

WHETHER OR NOT YOU EXPECT TO ATTEND THE VIRTUAL ANNUAL MEETING, PLEASE SUBMIT YOUR PROXY WITH YOUR VOTING INSTRUCTIONS. YOU MAY VOTE BY TELEPHONE OR INTERNET (BY FOLLOWING THE INSTRUCTIONS ON THE PROXY CARD OR VOTING INSTRUCTION FORM) OR BY MAIL.

By order of the Board of Directors,

Michael Gorenstein
Chairman, President and Chief Executive Officer

PROXY STATEMENT
FOR THE 2024 ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD THURSDAY, JUNE 20, 2024

These proxy materials are furnished in connection with the solicitation by the board of directors (the “Board” or our “Board”) of Cronos Group Inc. (“Cronos” or the “Company”), a corporation incorporated under the Business Corporations Act (British Columbia) (“BCBCA”), of proxies to be voted at the 2024 Annual Meeting of the holders (the “Shareholders”) of common shares (“Shares”) of the Company and at any adjournment or postponement of such meeting (the “Annual Meeting”). This proxy statement (this “Proxy Statement”), together with the Notice of Annual Meeting and proxy card or voting instruction form, is first being made available to Shareholders on or about May 9, 2024.

ABOUT THE MEETING

Why am I receiving these materials?

We have made these proxy materials available to you on the Internet or have delivered printed versions of these materials to you by mail in connection with the solicitation, by the Board, of proxies to be voted at the Annual Meeting. You are receiving this Proxy Statement because you were a Shareholder as of 5:00 p.m., Eastern time, on April 25, 2024, the record date for the Annual Meeting. The Notice of Annual Meeting provides notice of the Annual Meeting, and this Proxy Statement describes the proposals presented for Shareholder action and includes information required to be disclosed to Shareholders.

What is included in these proxy materials?

These proxy materials include:

- this Proxy Statement for the Annual Meeting; and
- our Annual Report on Form 10-K for the fiscal year ended December 31, 2023.

If you received printed versions of these materials by mail, these materials also include the proxy card or voting instruction form for the Annual Meeting.

Why did I receive a Notice of Internet Availability of Proxy Materials in the mail instead of proxy materials?

In accordance with the “notice and access” rules of the U.S. Securities and Exchange Commission (“SEC”), instead of mailing a printed copy of the proxy materials to all Shareholders, we have elected to furnish such materials to selected Shareholders by providing access to these documents over the Internet. Accordingly, on or about May 9, 2024, we sent a Notice of Internet Availability of Proxy Materials (“Notice of Internet Availability”) to most of our Shareholders.

These Shareholders have the ability to access the proxy materials on a website referred to in the Notice of Internet Availability or request to receive a printed set of the proxy materials by calling the toll-free number found on the Notice of Internet Availability. We encourage you to take advantage of the availability of the proxy materials on the Internet in order to help save natural resources and reduce the cost to print and distribute the proxy materials.

How can I get electronic access to the proxy materials?

For those Shareholders who receive a Notice of Internet Availability, the Notice of Internet Availability provides instructions regarding how to:

- view the proxy materials for the Annual Meeting on the Internet;
- vote your Shares after you have viewed the proxy materials;
- request a printed copy of the proxy materials; and
- instruct us to send future proxy materials to you electronically by email.

Copies of the proxy materials are available for viewing at www.proxyvote.com.

You may elect to receive proxy materials by email by following the instructions contained in the Notice of Internet Availability. If you would like to request an emailed copy of the proxy materials, you may do so prior to June 6, 2024 by (1) visiting www.proxyvote.com, (2) calling 1-800-579-1639 or (3) sending an email to sendmaterial@proxyvote.com. Even if you received a printed copy of the proxy materials, you may choose to receive future proxy materials by email. If you do so, you will receive an email next year with instructions containing a link to view those proxy materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it or for so long as the email address provided by you is valid.

When and where is the Annual Meeting?

The Annual Meeting will be held on Thursday, June 20, 2024 at 11:00 a.m., Eastern time, via live audio webcast online at www.virtualshareholdermeeting.com/CRON2024. We are not holding an in-person meeting.

What matters will be submitted to Shareholders at the Annual Meeting?

At the Annual Meeting, you will be asked to vote on each of the following matters:

- | | |
|--------------------|--|
| Proposal 1: | To elect the seven nominees named in this Proxy Statement to the Board; |
| Proposal 2: | To adopt an advisory (non-binding) resolution approving the compensation of our named executive officers (“NEOs”) as disclosed in this Proxy Statement; and |
| Proposal 3: | To appoint the Company’s independent registered public accounting firm to serve as the Company’s independent auditor for fiscal year 2024 and to authorize the Board to fix the independent auditor’s remuneration. |
| Proposal 4: | To approve any adjournment of the Annual Meeting to a later date to be determined by the Chair of the Annual Meeting, if necessary, to permit the Company to complete the search for a successor auditor |

We will conduct such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof. The Board is not aware of any other business to be presented to a vote of the Shareholders at the Annual Meeting.

In addition, the audited consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2023 and the auditors’ reports thereon will be placed before the Shareholders at the Annual Meeting.

Who may vote at the Annual Meeting?

Only record holders of our Shares as of 5:00 p.m., Eastern time, on April 25, 2024 (the “Record Date”) will be entitled to vote at the Annual Meeting. On the Record Date, the Company had 382,011,178 Shares outstanding. Each outstanding Share entitles the holder to one vote on each matter to be voted upon at the Annual Meeting.

How are votes counted and what is the required vote for each proposal?

As of the Record Date, there were 382,011,178 Shares outstanding, each of which entitles the holder to one vote on each matter to be voted upon at the Annual Meeting.

Proposal 1: Election of Directors

You may select “For” or “Withhold” with respect to each nominee for director under Proposal 1. Directors will be elected by a plurality of the votes cast at the Annual Meeting. However, the Board’s majority voting policy (the “Majority Voting Policy”) requires that any nominee for director who does not receive a greater number of votes “for” his or her election as a director than votes “withheld” from voting tender his or her resignation to the Board for consideration by the independent directors of the Company promptly following the Annual Meeting. The independent directors of the Company will consider the resignation and will provide a recommendation to the Board within 45 days following the Annual Meeting. The Board will consider the recommendation of the independent directors of the Company and determine whether to accept such recommendation within 90 days of the Annual Meeting. Absent exceptional circumstances, the Board will accept the resignation, which will be effective upon such acceptance. A news release will be issued promptly by the Company announcing the Board’s determination, including, if applicable, the reasons for rejecting the resignation. A director who tenders his or her resignation will not participate in any meetings to consider whether the resignation will be accepted. Shares held by brokers who are prohibited from exercising discretionary authority for beneficial owners who have not given voting instructions (“broker non-votes”) will not be counted as votes cast and will have no effect on the outcome of the voting on this proposal.

Proposal 2: Advisory Vote on the Compensation of Our Named Executive Officers

You may select “For”, “Against” or “Abstain” with respect to Proposal 2. The affirmative vote of a majority of the votes cast at the Annual Meeting is required for the approval, on an advisory (non-binding) basis, of the compensation of our NEOs as disclosed in this Proxy Statement. The results of the vote on the proposal are not binding on the Board or the Compensation Committee. Abstentions and broker non-votes will not be included in the total votes cast and will not affect the results.

Proposal 3: Appointment of the Company’s Independent Auditor

You may select “For” or “Withhold” your vote with respect to Proposal 3. The affirmative vote of a majority of the votes cast at the Annual Meeting is required in order to appoint our independent registered public accounting firm for fiscal year 2024. U.S. (but not Canadian) brokers may exercise discretion and vote on this matter and these will be counted as votes cast. Broker non-votes will not be counted as votes cast and will have no effect on the outcome of the voting on this proposal.

Proposal 4: Approval of Adjournment of the Annual Meeting

You may select “For”, “Against” or “Abstain” with respect to Proposal 4. The affirmative vote of a majority of the votes cast at the Annual Meeting is required in order to approve the adjournment of the Annual Meeting. U.S. (but not Canadian) brokers may exercise discretion and vote on this matter and these will be counted as votes cast. Abstentions or broker non-votes will not be counted as votes cast in determining whether the requisite threshold of votes cast has approved the proposal.

What are the Board’s recommendations as to how I should vote on each proposal?

The Board recommends a vote:

- **“FOR”** the election of each of the seven director nominees named in this Proxy Statement;
- **“FOR”** the advisory (non-binding) resolution approving the compensation of the NEOs as disclosed in this Proxy Statement;
- **“FOR”** the appointment of the Company’s independent registered public accounting firm to serve as the Company’s independent auditor for fiscal year 2024 and the authorization of the Board to fix the independent auditor’s remuneration; and

- “FOR” the approval of the adjournment of the Annual Meeting.

How do I participate in the Annual Meeting?

The Company is holding the Annual Meeting in a virtual-only format, which will be conducted via live audio webcast. Shareholders will not be able to attend the Annual Meeting in person. Participating in the Annual Meeting online enables registered Shareholders and duly appointed proxyholders, including non-registered Shareholders who have duly appointed themselves as a proxyholder, to ask questions and vote, all in real time. Registered Shareholders and duly appointed proxyholders can vote at the appropriate times during the Annual Meeting. Guests, including non-registered Shareholders who have not duly appointed themselves as a proxyholder, can log in to the Annual Meeting as set out below. Guests can listen to the Annual Meeting but are not able to ask questions or vote at the Annual Meeting.

To log in to the Annual Meeting online, visit www.virtualshareholdermeeting.com/CRON2024 on your smart phone, tablet or computer. If you are a registered Shareholder or a duly appointed proxyholder, you will need to enter the 16-digit Control Number issued in respect of the Shares, your first and last name and your email address. If you are a guest, including a non-registered Shareholder who has not been duly appointed as a proxyholder, you will need to enter your first and last name and your email address. You will need the latest versions of Chrome, Safari, Edge, or Firefox. Please ensure your browser is compatible. We recommend that you log in at least 15 minutes before the Annual Meeting starts.

Duly appointed proxyholders must obtain a Control Number as described under “If I have appointed a proxyholder, how can they participate in and vote at the Annual Meeting?”. Without a Control Number, proxyholders will not be able to participate in the Annual Meeting.

If you are a registered Shareholder or duly appointed proxyholder that would like to vote at the Annual Meeting, it is important that you are connected to the Internet at all times during the Annual Meeting in order to vote when balloting commences. It is your responsibility to ensure connectivity for the duration of the Annual Meeting. You should allow ample time to check into the Annual Meeting online and complete the related procedures.

How can I submit questions during the Annual Meeting?

Registered Shareholders and duly appointed proxyholders, including non-registered Shareholders who have duly appointed themselves as a proxyholder, will be able to submit questions online by typing questions into the text box where indicated and clicking on the submit button. Questions can only be submitted during the Annual Meeting using the means specified during the Annual Meeting.

We intend to answer properly submitted questions that are pertinent to the Company and Annual Meeting matters, as time permits. Questions submitted will be moderated before being sent to the Chair of the Annual Meeting. The Company reserves the right to edit profanity or other inappropriate language, or to exclude questions that are not pertinent to Annual Meeting matters or that are otherwise inappropriate. For any relevant submissions made but not addressed during the question period following the end of the Annual Meeting, a member of the Company’s management will attempt to contact such Shareholder to respond to the submission to the extent the Shareholder has provided an email address within their submission.

What if I need technical assistance?

If you encounter any technical difficulties accessing the virtual Annual Meeting during the check-in or the Annual Meeting, please use the phone numbers found on the log-in page to contact technical support.

How do I submit my vote?

Voting by Proxy before the Annual Meeting

If you are a Shareholder of record as of 5:00 p.m., Eastern time, on the Record Date, or a duly appointed proxyholder, you can vote via the Internet, by telephone or, for those Shareholders who receive a paper proxy card in the mail, by completing, dating and signing your proxy card and returning it to Broadridge as follows:

- Through the internet. Visit www.proxyvote.com to vote 24 hours a day, 7 days a week. Have your proxy card handy when you access the website. You will be prompted to enter your Control Number to submit an electronic ballot.
- By telephone. Use any touch-tone telephone to dial 1 (800) 690-6903 to vote 24 hours a day, 7 days a week. Have your proxy card handy when you call. You will be prompted to enter your Control Number and then follow the directions given.
- By mail. Complete, sign and date your proxy card and return it in the postage-paid envelope that is provided or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

For those Shareholders who receive a Notice of Internet Availability, the Notice of Internet Availability provides information on how to access their proxy on the Internet, which contains instructions on how to vote. If you received a Notice of Internet Availability, you may request a printed copy of the proxy materials by following the instructions contained in the Notice of Internet Availability. If you would like to request a printed copy of the proxy materials, you may do so prior to June 6, 2024 by (1) visiting www.proxyvote.com, (2) calling 1-800-579-1639 or (3) sending an email to sendmaterial@proxyvote.com.

If you are voting by proxy, you must ensure that the proxy is received no later than 11:59 p.m. (Eastern time) on June 18, 2024, or, in the case of any adjournment or postponement of the Annual Meeting, no later than 11:59 p.m. (Eastern time) on the date that is two business days before the date of the adjourned or postponed meeting. The time limit for the delivery of proxies may also be waived or extended by the Chair of the Annual Meeting at his or her discretion, without notice.

Voting at the Meeting

Registered Shareholders and duly appointed proxyholders can vote at the appropriate times by completing a ballot online during the Annual Meeting. We anticipate that once voting has opened during the Annual Meeting, the resolutions and voting choices will be displayed and you will be able to vote by selecting your voting direction from the options shown on the screen. Confirmation that your vote has been received should then appear. We anticipate that while voting remains open during the Annual Meeting you will be able to change your vote by selecting another voting direction or cancel your vote by pressing the cancel button.

What do I do if I hold my Shares through an Intermediary?

If you hold your Shares through an Intermediary, you can vote by following the instructions in the voting instruction form or in accordance with any other instructions provided by that Intermediary.

Non-registered Shareholders who have not duly appointed themselves as a proxyholder will be able to listen to the Annual Meeting but will not be able to ask questions or vote at the Annual Meeting. This is because the Company and Broadridge do not have a record of the non-registered Shareholders and, as a result, have no knowledge of your shareholdings or entitlement to vote unless you appoint yourself as a proxyholder.

The Company has distributed copies of the Notice of Internet Availability to the Intermediaries for onward distribution to non-registered Shareholders. Intermediaries are required to forward the Notice of Internet Availability to non-registered Shareholders unless a non-registered Shareholder has waived the right to receive it. Typically, Intermediaries will use a service company (such as Broadridge) to forward the Notice of Internet Availability to non-registered Shareholders. The Company is a "Participating Issuer" under Broadridge's Electronic Delivery Procedures. Non-registered Shareholders who have enrolled in Broadridge's Electronic Delivery Procedures (at www.investordelivery.com) will have received an email notification from Broadridge that the Notice of Meeting, this Proxy Statement and a proxy card or voting instruction form are available electronically, which notification includes a hyperlink to the page on the Internet where the proxy materials can be viewed. Generally, non-registered Shareholders who have not waived the right to receive proxy materials will be given a voting instruction form which must be completed and signed by the non-registered Shareholders in accordance with the directions on the voting instruction form; voting instruction forms sent by the Company and Broadridge permit the completion of the voting instruction form by telephone or through the Internet at www.proxyvote.com.

The Company will pay for an Intermediary to deliver proxy materials to non-objecting beneficial owners of Shares ("NOBOs") and objecting beneficial owners of Shares ("OBOs"). Any proxy materials sent to NOBOs and OBOs will be accompanied by a voting instruction form. By returning the voting instruction form in accordance with the instructions noted thereon, a NOBO or OBO is able to instruct the voting of the Shares owned by it. Voting instruction forms, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted thereon. The purpose of this procedure is to permit non-registered Shareholders to direct the voting of the Shares which they beneficially own.

If you are a non-registered Shareholder and wish to vote at the Annual Meeting, you should follow the instructions in the voting instruction form or contact your Intermediary for instructions and follow all of the applicable instructions, including the deadline, provided by your Intermediary.

Can I appoint a proxyholder not named in the proxy card or voting instruction form?

The persons named in the proxy card or voting instruction form are directors or officers of the Company designated by the Board. **A registered Shareholder has the right to appoint as a proxyholder a person or company (who need not be a Shareholder) other than the persons already named by the Board in the proxy card to attend and act on such registered Shareholder's behalf at the Annual Meeting.** Such right may be exercised by inserting the name of the person or company in the blank space provided in the proxy card or by completing a later dated proxy card. The registered Shareholder's vote will not be counted unless the proxyholder attends the Annual Meeting and votes the registered Shareholder's Shares.

If you are a non-registered Shareholder and wish to appoint someone else as your proxyholder, including yourself, to participate in the Annual Meeting, including asking questions and voting, please follow the instructions in the voting instruction form or contact your Intermediary for instructions.

If I have appointed a proxyholder, how can they participate in and vote at the Annual Meeting?

If you are a registered Shareholder and have appointed someone other than the Board's nominees as your proxyholder, the person you have appointed as your proxyholder must obtain a Control Number to participate in the Annual Meeting as your proxy and vote your Shares. It is the responsibility of the Shareholder to advise his or her proxyholder to contact the appropriate party to obtain a Control Number. **Without a Control Number, proxyholders will not be able to participate in the Annual Meeting, including asking questions and voting.**

Requests for a Control Number must be made by 11:59 p.m. (Eastern time) on June 18, 2024.

What constitutes a quorum?

The Annual Meeting will be held only if a quorum is present. A quorum will be present if the holders of 33 1/3% of the Shares outstanding as of 5:00 p.m., Eastern time, on the Record Date and entitled to vote on a matter at the Annual Meeting are represented, directly or by proxy, at the Annual Meeting. Shares represented by properly completed proxy cards or voting instruction forms either marked "abstain" or "withhold," or returned without voting instructions, are counted as present and entitled to vote for the purpose of determining whether a quorum is present at the Annual Meeting. If Shares are held by brokers who have submitted proxies but are prohibited from exercising discretionary authority for beneficial owners who have not given voting instructions, those Shares will be counted as represented at the Annual Meeting for the purpose of determining whether a quorum is present at the Annual Meeting.

Can I change or revoke my vote after I return my proxy card or voting instruction form?

Yes. In addition to revocation in any manner permitted by law, a registered Shareholder as of 5:00 p.m., Eastern time, on the Record Date who has returned a proxy card may revoke it at any time before it is voted at the Annual Meeting by:

- completing and signing a proxy card bearing a later date, and delivering it to Broadridge in accordance with the instructions (including the submission deadlines) set out above;
- delivering a written statement expressly revoking such proxy, signed by the registered Shareholder or by the registered Shareholders' attorney, who is authorized in writing, to:
 - the Corporate Secretary of the Company at 111 Peter Street, Suite 300, Toronto, Ontario, M5V 2H1, at any time up to and including two business days prior to the Annual Meeting, or two business days preceding the day to which the Annual Meeting is adjourned or postponed; or
 - the Chair of the Annual Meeting prior to the start of the Annual Meeting.

If a registered Shareholder has followed the process for participating in and voting at the Annual Meeting online, voting at the Annual Meeting online will revoke all previously submitted proxies.

A non-registered Shareholder who wishes to revoke their voting instructions must complete, sign and submit a voting instruction form bearing a later date or contact their Intermediary in respect of such instructions and comply with any applicable requirements imposed by such Intermediary. An Intermediary may not be able to revoke such instructions if it receives insufficient notice of revocation.

Who will count the votes?

A representative of American Election Services, LLC will act as scrutineer at the Annual Meeting and will count the votes.

Will my vote be kept confidential?

Yes. As a matter of policy, Shareholder proxies, ballots and tabulations that identify individual Shareholders are kept confidential.

Who pays to prepare, mail and solicit the proxies?

The Company pays all the costs of preparing, mailing and soliciting proxies in connection with this Proxy Statement. We may solicit proxies by advertisement, telephone, online or personally by directors or officers or other employees of the Company without additional compensation. Intermediaries may request and forward proxy materials to beneficial owners and seek authority to execute proxies. The Company will reimburse the Intermediaries for their expenses in forwarding the proxy materials to and seeking authority from such beneficial owners. The costs of solicitation will be borne by the Company.

How will my Shares be voted if I sign, date and return my proxy card or voting instruction form?

If you sign, date and return your proxy card or voting instruction form and indicate how you would like your Shares voted, your Shares will be voted or withheld from voting as you have instructed. If you sign, date and return your proxy card or voting instruction form but do not indicate how you would like your Shares voted, your proxy will be voted:

- “FOR” the election of each of the seven director nominees named in this Proxy Statement;
- “FOR” the advisory (non-binding) resolution approving the compensation of the NEOs as disclosed in this Proxy Statement;
- “FOR” the appointment of the Company's independent registered public accounting firm to serve as the Company's independent auditor for fiscal year 2024 and the authorization of the Board to fix the independent auditor's remuneration; and
- “FOR” the approval of the adjournment of the Annual Meeting.

How will broker non-votes be treated?

A “broker non-vote” occurs when a broker who holds its customer's Shares in street name submits proxies for such Shares but indicates that it does not have authority to vote on a particular matter. Generally, this occurs when brokers have not received any instructions from their customers. Without specific instructions, Canadian brokers are prohibited from voting their customers' Shares.

Without specific instructions, U.S. brokers, as the holders of record, are permitted to vote their customers' Shares on “routine” matters only, but not on other matters. Shares for which U.S. brokers have not received instructions from their customers will only be permitted to vote on the following proposals:

- To appoint the Company's independent registered public accounting firm to serve as the Company's independent auditor for fiscal year 2024 and to authorize the Board to fix the independent auditor's remuneration.
- To approve any adjournment of the Annual Meeting to a later date to be determined by the Chair of the Annual Meeting, if necessary, to permit the Company to complete the search or a successor auditor.

Shares for which U.S. brokers have not received instructions from their customers will not be permitted to vote on the following proposals:

- to elect the seven director nominees named in this Proxy Statement to the Board; or
- to approve, on an advisory (non-binding) basis, the compensation of the NEOs as disclosed in this Proxy Statement.

Does the Company have cumulative voting?

Shareholders have no cumulative voting rights.

What if other matters come up during the Annual Meeting?

If any matters other than those referred to in the Notice of Annual Meeting properly come before the Annual Meeting, the individuals named in the proxy card or voting instruction form will vote the proxies held by them in accordance with their best

judgment. As of the date of this Proxy Statement, the Board is not aware of any business other than the items referred to in the Notice of Annual Meeting that will be considered at the Annual Meeting.

How do I contact the Corporate Secretary of the Company?

In several sections of this Proxy Statement, we suggest that you should contact the Corporate Secretary of the Company to follow up on various items. You can reach our Corporate Secretary by writing to 111 Peter Street, Suite 300, Toronto, Ontario, M5V 2H1 or by email at corporate.secretary@thecronosgroup.com.

Principal Holders of Voting Securities.

As of the date of this Proxy Statement, to the knowledge of the directors and executive officers of the Company, no person or entity beneficially owns, or controls or directs, directly or indirectly, voting securities of the Company carrying 5% or more of the voting rights attached to any class of outstanding voting securities of the Company entitled to vote at the Annual Meeting, other than Altria Group, Inc. ("Altria"), as indirect beneficial owner of 156,573,537 Shares or approximately 41.0% of the issued and outstanding Shares as of March 31, 2024 (calculated on a non-diluted basis).

Altria has entered into an agreement to vote the Shares beneficially owned by Altria Group in favor of the Proposals set forth in this Proxy Statement, as more specifically set forth in, and subject to the terms and conditions of, such agreement. See "Related Party Transactions and Related Party Transaction Policy" for more information on the voting agreement with Altria.

Your vote is important.

Instructions for using this convenient service are provided on the proxy card or voting instruction form. Of course, you may still vote your Shares at the Annual Meeting. PROPOSAL NO. 1—ELECTION OF DIRECTORS

Board of Directors

The Company's articles provide that the size of the Board will be set at seven directors. Each director will hold office from the date of the Annual Meeting until the close of the next annual meeting of Shareholders or until the successor of such director has been duly elected and/or appointed in accordance with the articles of the Company, the Investor Rights Agreement dated as of March 8, 2019 between the Company and Altria (the "Investor Rights Agreement"), and applicable law.

The Investor Rights Agreement provides that, for so long as Altria, Maple Acquireco (Canada) ULC, Altria Summit LLC and each of their respective controlled affiliates (the "Altria Group") continues to beneficially own at least 40% of the issued and outstanding Shares, and the size of the Board is seven directors, the Company will nominate for election as directors to the Board four individuals designated by Altria (each, an "Altria Nominee"). In addition, for so long as Altria Group continues to beneficially own greater than 10% but less than 40% of the issued and outstanding Shares, Altria is entitled to designate a number of Altria Nominees that represents Altria Group's proportionate share of the number of directors comprising the Board (rounded up to the next whole number) based on the percentage of the issued and outstanding Shares beneficially owned by the Altria Group at the relevant time. At least one Altria Nominee must be "independent" as defined in the Investor Rights Agreement ("Investor Rights Agreement Independent") as long as Altria has the right to designate at least three individuals to be nominated for election as directors to the Board and the Altria Group's beneficial ownership of the issued and outstanding Shares does not exceed 50%. The meaning of Investor Rights Agreement Independent differs from the meaning of the term "independent" as defined under applicable NASDAQ listing standards and the NASDAQ marketplace rules (the "NASDAQ Rules") and as defined in National Instrument 58-101 – Disclosure of Corporate Governance Practices ("NI 58-101"). Directors who are not Investor Rights Agreement Independent may still be independent under the applicable NASDAQ Rules and/or NI 58-101. Murray Garnick is independent under the applicable NASDAQ Rules, but he is not "independent" under NI 58-101, and, as a result, he is not Investor Rights Agreement Independent. In light of Mr. Garnick's retirement from Altria on April 1, 2024 and his experience, qualifications, attributes, skills and past Board service, including past experience as a member of the Board from 2019 until 2023, and a lengthy career advising numerous public companies, including companies operating in heavily regulated industries, as external and internal legal counsel, regarding an array of regulatory, compliance and corporate governance matters, the Company determined to and did waive the Investor Rights Agreement Independent requirement solely with respect to Altria's designation of Murray Garnick as an Altria Nominee for election to the Board at the Annual Meeting. Kamran Khan, Dominik Meier, Elizabeth Seegar, and Murray Garnick are the Altria Nominees. Other than the Altria Nominees, the nominees for election as directors of the Company were selected by a majority of the Board's independent directors within the meaning of such term under the applicable NASDAQ Rules.

Nominees for Election as Directors at the Annual Meeting

The Board has not established a formal nominating committee. Rather, the Board has determined that compliance with the NASDAQ Rules, which require that director nominees (other than the Altria Nominees) are recommended for the Board's selection by independent directors within the meaning of such term under applicable NASDAQ Rules constituting a majority of the Board's independent directors in a vote in which only independent directors participate, with the independence requirements applicable to such directors to be confirmed at such time, adequately encourages an objective nomination process. Individuals with the desired experience and qualifications are selected, taking into account the needs of the Board at the time. In making its recommendations, the Board's independent directors consider:

- the attributes and skills that the Board considers to be necessary for the Board, as a whole, to possess;
- the attributes and skills that the Board considers each existing director to possess;
- the attributes and skills each new nominee will bring to the boardroom;
- whether or not each new nominee can devote sufficient time and resources to his or her duties as a Board member; and
- diversity criteria, pursuant to the Company's Diversity Policy as further described below under "– Diversity".

The following table sets forth certain information regarding the director nominees. Additional biographical information on each of the nominees is included below under the section entitled "Directors and Executive Officers".

James Rudyk ⁽¹⁾⁽²⁾⁽³⁾	57	2018	Oakville, ON Canada	Chief Financial Officer of Ag Growth International Inc.

(1) “Independent” within the meaning of such term under the applicable NASDAQ Rules.

(2) “Independent” within the meaning of such term under NI 58-101.

(3) Investor Rights Agreement Independent.

In considering the nominees’ individual experience, qualifications, attributes, skills and past Board participation, the Board’s independent directors have concluded that when considered all together, the appropriate experience, qualifications, attributes, skills and participation are represented for the Board as a whole and for each of the Board’s committees.

There are no family relationships among any directors and executive officers. Each nominee has indicated a willingness to serve and has consented to being named in this Proxy Statement, and the Board has no reason to believe that any of the nominees will not be available for election. However, if any of the nominees is not available for election, proxies may be voted for the election of other persons selected by the Board unless the proxy specifies the Shares are to be withheld from voting in the election of the directors. Proxies cannot, however, be voted for a greater number of persons than the number of nominees named. Shareholders have no cumulative voting rights with respect to the election of directors.

Required Vote

With regard to the election of the director nominees, you may select “For” or “Withhold”. A plurality of the votes cast at the Annual Meeting is necessary to elect each director nominee.

However, under the Majority Voting Policy, any nominee for director who does not receive a greater number of votes “for” his or her election as a director than votes “withheld” from voting is required to tender his or her resignation to the Board for consideration by the independent directors of the Company promptly following the Annual Meeting. The independent directors of the Company will consider the resignation and will provide a recommendation to the Board within 45 days following the Annual Meeting. The Board will consider the recommendation of the independent directors of the Company and determine whether to accept such recommendation within 90 days of the Annual Meeting. Absent exceptional circumstances, the Board will accept the resignation which will be effective upon such acceptance. A news release will be issued promptly by the Company announcing the Board’s determination, including, if applicable, the reasons for rejecting the resignation. A director who tenders his or her resignation will not participate in any meetings to consider whether the resignation shall be accepted.

A copy of the Majority Voting Policy is available on the Company’s website at <https://ir.thecronosgroup.com/governance/documents-charters>.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR NAMED ABOVE.

BOARD OF DIRECTORS, COMMITTEES AND GOVERNANCE

Overview

The Board considers good corporate governance practices to be an important factor in the overall success of the Company. Under NI 58-101 and National Policy 58-201 – Corporate Governance Guidelines, the Company is required to disclose information relating to its corporate governance practices, which disclosure is set out herein. With respect to the United States, the Company is required to comply with the provisions of the Sarbanes-Oxley Act of 2002 (the “Act”) and the applicable rules adopted by the SEC pursuant to the Act, as well as the NASDAQ Rules.

The Board is responsible for the oversight of the business and affairs of the Company. The Board oversees the development of the Company’s strategic plan and the ability of the executive officers to continue to deliver on the corporate objectives. The Board Mandate is attached as Appendix A to this Proxy Statement.

The independent judgment of the Board in carrying out its responsibilities is the responsibility of all directors. The Board facilitates independent supervision of the executive officers through meetings of the Board and through frequent informal discussions among independent members of the Board and executive officers. In addition, the Board has unrestricted access to the Company’s external auditors, external legal counsel and to the Company’s executive officers and employees.

Meetings

The Board held 22 meetings (including regularly scheduled and special meetings) in 2023. Each of our directors attended at least 75% of (i) the meetings of the Board held during the period for which he or she served as a director and (ii) the meetings held by the standing committees of the Board on which he or she served during the periods that he or she served. Four of our then-current directors attended the 2023 annual meeting of Shareholders. The Company does not have a formal policy with respect to director attendance at the annual meeting. Our current Board members who served on the Compensation Committee attended 100% of its six meetings held in 2023. The Audit Committee held five meetings in 2023, and all of the Audit Committee members attended 100% of these meetings.

Director Independence

The Board is currently comprised of seven directors: Michael Gorenstein (Chairman), Jason Adler, Kendrick Ashton, Jr., Kamran Khan, Dominik Meier, Elizabeth Seegar and James Rudyk. Please see the biographies of our individual directors under “Directors and Executive Officers”.

The Board has determined that three of the seven directors of the Company (or approximately 43% of the nominees), namely Mr. Adler, Mr. Ashton and Mr. Rudyk, have no material relationship with the Company, either directly or indirectly, which could, in the view of the Board, be reasonably expected to interfere with the exercise of such individual’s independent judgment, and are “independent” within the meaning of such term under the applicable NASDAQ Rules and NI 58-101. As Altria is the parent company of Maple Acquireco (Canada) ULC, the beneficial owner of approximately 41.0% of the issued and outstanding Shares as of March 31, 2023 (calculated on a non-diluted basis), for the purposes of NI 58-101, the Company is considered to be “controlled” by Altria. As such, Messrs. Khan, Garnick and Meier and Ms. Seegar are not “independent” within the meaning of such term under NI 58-101 (but are considered to be “independent” within the meaning of such term under the applicable NASDAQ Rules) as they all are, or were within the past three years, employees of Altria. Messrs. Khan and Meier and Ms. Seegar are considered to be “independent” within the meaning of such term under applicable NASDAQ Rules, other than for Audit Committee purposes, and Mr. Garnick, who retired from Altria on April 1, 2024, is considered to be “independent” within the meaning of such term under applicable NASDAQ rules, including for Audit Committee purposes. Mr. Gorenstein is not “independent” within the meaning of such term under the applicable NASDAQ Rules and NI 58-101 as he is the Chairman of the Board, President and CEO.

While the majority of the directors of the Company are not independent within the meaning of such term under NI 58-101, only Mr. Gorenstein is a member of management, and thus the Board believes that it is able to exercise independent judgment in carrying out its responsibilities. In addition, to facilitate the exercise of independent supervision over executive officers, the Board has provided for the role of an independent lead director (the “Independent Lead Director”) as described further under “Board Leadership Structure and Qualifications” below. This role is currently held by Mr. Rudyk.

The directors who are independent within the meaning of such term under the applicable NASDAQ Rules meet in executive session, without the presence of non-independent directors and executive officers, in conjunction with each regularly scheduled meeting of the Board and at other meetings as appropriate. During 2023, 12 executive sessions of the independent directors were held. These executive sessions are led by the Independent Lead Director. The Board encourages its independent directors to meet formally or informally without any non-independent directors, including executive officers, being present on an as-needed basis. In addition, the small size of the Board helps to create an atmosphere conducive to candid and open discussion among all directors.

Board Leadership Structure and Qualifications

Each director must have an understanding of the Company’s principal operational and financial objectives, plans and strategies, and financial position and performance. Directors must have sufficient time to carry out their duties and not assume responsibilities that would materially interfere with, or be incompatible with, Board membership. Directors must advise the Chairman of the Board in advance of accepting an invitation to serve on the board of another public corporation.

Currently, Michael Gorenstein serves as our Chairman, President and CEO, and James Rudyk serves as the Independent Lead Director of our Board. The primary focus of the Independent Lead Director is to provide leadership to ensure that the Board functions independently of the executive officers of the Company and non-independent directors and to foster the effectiveness of the Board. The Independent Lead Director acts as a liaison between the independent directors and the Chairman and:

- chairs all Board meetings when the Chairman is not in attendance;
- seeks to stimulate debate;

- seeks to provide adequate time for discussion of issues, facilitate consensus, encourage full participation and discussion by individual directors and confirm that decision-making is reached and accurately recorded;
- works with the Chairman to ensure that the appropriate committee structure is in place and makes recommendations for appointment to such committees; and
- together with the Chairman, ensures that the responsibilities of the Board are effectively carried out in compliance with the Board’s mandate and that the functions of the Board delegated to the committees of the Board are effectively carried out and reported to the Board.

Position Descriptions

The Board has written position descriptions for the Chairman of the Board, Independent Lead Director, chairs of the Board committees and the CEO. The Board Mandate and the charters for the committees set out in writing the responsibilities of the Board and the committees for supervising executive officers of the Company.

Orientation and Continuing Education

All new directors are provided with an initial orientation regarding the nature and operation of the Company’s business and its strategy and as to the role of the Board and its committees, as well as the legal obligations of a director of the Company. Directors are periodically updated on these matters.

In order to orient new directors as to the nature and operation of the Company’s business, they are given an opportunity to meet with executive officers to discuss the Company’s business and activities. In addition, new directors receive copies of Board materials, corporate policies and procedures, and other information regarding the business and operations of the Company.

Board members are expected to keep themselves current with industry trends and developments and are encouraged to communicate with executive officers and, where applicable, auditors and advisors of the Company. Board members have access to the Company’s external and in-house legal counsel in the event of any questions or matters relating to their corporate and director responsibilities and to keep themselves current with changes in legislation. Board members have full access to the Company’s records. In addition, external counsel and other external advisors of the Company are regularly invited to present to the Board at Board meetings on topics and trends facing public companies and private companies in the cannabis industry.

The orientation and continuing education process are reviewed on an annual basis by the Board and revised as necessary.

Board Oversight of Risk Management

The role of our Board in our risk oversight is consistent with our leadership structure, with our President and CEO and other executive officers having day-to-day responsibility for assessing and managing our risk exposure and control processes, and our Board and its committees providing oversight of risk management and control processes.

The Company’s executive officers are responsible for reporting to the Board on the principal risks associated with the Company’s business and operations, implementing appropriate systems to manage these risks and reporting to the Board on the operation of, and any material deficiencies in, these systems. Such reports are provided by executive officers to the Board at each regularly scheduled Board meeting.

The Audit Committee is responsible for monitoring procedures relating to financial reporting risk management, reviewing the adequacy of the Company’s internal control over financial reporting and beginning this year, will oversee the Company’s program for assessing, monitoring and mitigating cybersecurity risks. The Compensation Committee has primary responsibility for the Company’s compensation policies, plans and practices regarding both executive compensation and the compensation structure generally and in particular, reviews the Company’s incentive compensation arrangements to ensure these programs do not encourage inappropriate or unintended risk-taking by the Company’s employees.

Committees of Our Board of Directors

The standing committees of our Board consist of the Audit Committee and the Compensation Committee. The responsibilities of these committees are described below. Our Board may also establish various other committees to assist it in its responsibilities. The following table summarizes the current membership of the Board and each of its standing committees:

Director Name	Audit Committee	Compensation Committee
Michael Gorenstein		
Jason Adler ⁽¹⁾⁽²⁾	Member	Chair
Kendrick Ashton, Jr. ⁽¹⁾⁽²⁾	Member	
Kamran Khan ⁽¹⁾		
Dominik Meier ⁽¹⁾		
Elizabeth Seegar ⁽¹⁾		Member
James Rudyk ⁽¹⁾⁽²⁾	Chair	Member

(1) “Independent” within the meaning of such term under the applicable NASDAQ Rules.

(2) “Independent” within the meaning of such term under NI 58-101.

Our Board has adopted a charter for each of the two standing committees that addresses the composition and function of each committee. Copies of such materials are available on our website at <https://ir.thecronosgroup.com/governance/documents-charters>.

The Investor Rights Agreement also provides that, subject to certain exceptions, for so long as Altria is entitled to designate one or more Altria Nominees, Altria may appoint to each committee established by the Board such number of Altria Nominees that represents Altria's proportionate share of the number of directors comprising the applicable Board committee (rounded up to the next whole number) based on the percentage of our issued and outstanding Shares beneficially owned by the Altria Group at the relevant time.

Audit Committee

The Company has a separately designated standing Audit Committee established in accordance with the NASDAQ Rules. The Audit Committee is currently comprised of three directors of the Company: James Rudyk (Chair), Jason Adler and Kendrick Ashton, Jr., all of whom are considered to be "independent" within the meaning of such term under applicable NASDAQ Rules.

The Board has determined that James Rudyk, the Chair of the Audit Committee, and Kendrick Ashton, Jr. each qualify as an "audit committee financial expert" for purposes of the SEC's rules. The SEC has indicated that the designation of each of Messrs. Rudyk and Ashton as an audit committee financial expert does not make either an "expert" for any purpose, impose any duties, obligations or liabilities on either that are greater than those imposed on other members of the Audit Committee and the Board who do not carry this designation or affect the duties, obligations or liabilities of any other member of the Audit Committee or the Board.

The members of the Audit Committee are appointed by the Board, and each member of the Audit Committee serves at the pleasure of the Board until the member resigns, is removed or ceases to be a member of the Board.

The responsibilities and operation of the Audit Committee are set out in the Audit Committee Charter, a copy of which is available on the Company's website at <https://ir.thecronosgroup.com/governance/documents-charters>.

Compensation Committee

The Compensation Committee is currently comprised of three directors of the Company: Jason Adler (Chair), James Rudyk, and Elizabeth Seegar. Messrs. Adler and Rudyk are considered to be "independent" within the meaning of such term under applicable NASDAQ Rules and NI 58-101. Ms. Seegar is not considered to be "independent" within the meaning of such term under NI 58-101 but is considered to be "independent" within the meaning of such term under applicable NASDAQ Rules. In order to ensure that the compensation process remains objective:

- the Board is required to review and evaluate all recommendations and decisions put forward by the Compensation Committee regarding the design of the Company's compensation plans, including any equity-based compensation and executive compensation; and
- both the Board and the Compensation Committee hold meetings at which non-independent (within the meaning of such term under applicable NASDAQ Rules) directors of the Company are not present.

The Compensation Committee is responsible for approval of, or making recommendations to the Board with respect to, the compensation of the executive officers of the Company and making recommendations to the Board with respect to the compensation of the directors of the Company.

The responsibilities and operation of the Compensation Committee are set out in the Compensation Committee Charter, a copy of which is available on the Company's website at <https://ir.thecronosgroup.com/governance/documents-charters>.

Compensation Committee Interlocks and Insider Participation

No member of our Compensation Committee is or has been one of our officers or employees, and none have any relationships with us of the type that is required to be disclosed under Item 404 of Regulation S-K. None of our executive officers serves or has served as a member of the Board, Compensation Committee or other Board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

Nomination of Directors

The Board has not established a formal nominating committee. Rather, a majority of the Board's independent directors recommends director nominees for the Board's selection in a vote in which only independent directors participate, with the independence requirements applicable to such directors confirmed at such time. The Board adopted a resolution to adopt this director nominee selection process upon determining that compliance with the NASDAQ Rules, which require that director nominees (other than the Altria Nominees) are recommended for the Board's selection by independent directors within the meaning of such term under applicable NASDAQ Rules constituting a majority of the Board's independent directors in a vote in which only independent directors participate, with the independence requirements applicable to such directors to be confirmed at such time, adequately encourages an objective nomination process.

Individuals are selected with the desired background and qualifications, taking into account the needs of the Board at the time. In making recommendations, the Board's independent directors consider:

- the competencies and skills that the Board considers to be necessary for the Board, as a whole, to possess;
- the competencies and skills that the Board considers each existing director to possess;
- the competencies and skills each new nominee will bring to the boardroom;
- whether or not each new nominee can devote sufficient time and resources to his or her duties as a Board member; and
- diversity criteria, pursuant to the Diversity Policy (as defined herein) as further described below under "– Diversity".

See "Proposal No. 1–Election of Directors" above for a discussion of Altria's right to designate director nominees under the Investor Rights Agreement. The Board's independent directors will consider director candidates recommended by Shareholders, and

the Company’s articles contain advance notice provisions setting out advance notice requirements for the nomination of directors of the Company by a Shareholder, as further described below.

Shareholder Recommendations for Director Nominations

The Company’s articles contain advance notice provisions setting out advance notice requirements for the nomination of directors of the Company by a Shareholder (who must also meet certain qualifications outlined in the articles) (the “Nominating Shareholder”) at any annual meeting of Shareholders, or for any special meeting of Shareholders if one of the purposes for which the special meeting was called was the election of directors (the “Advance Notice Requirements”). The following description is a summary only and is qualified in its entirety by the full text of the applicable provisions of the Company’s articles which are available on the Company’s website at <https://ir.thecronosgroup.com/governance/documents-charters>.

In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must give timely notice of such nomination in proper written form to the Corporate Secretary of the Company at the principal executive offices of the Company. To be timely, a Nominating Shareholder’s notice to the Corporate Secretary must be made: (i) in the case of an annual meeting of Shareholders, not less than 30 nor more than 65 days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of Shareholders is to be held on a date that is less than 50 days after the date (the “Notice Date”) on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the 10th day following the Notice Date; and (ii) in the case of a special meeting (which is not also an annual meeting) of Shareholders called for the purpose of electing directors (whether or not called for other purposes as well), not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of Shareholders was made. The Company’s articles also prescribe the proper written form for a Nominating Shareholder’s notice.

The chairperson of the meeting has the power and duty to determine whether a nomination was made in accordance with the notice procedures set forth in the articles and, if any proposed nomination is not in compliance with such provisions, the discretion to declare that such defective nomination will be disregarded.

Notwithstanding the foregoing, the Board may, in its sole discretion, waive any requirement in the Advance Notice Requirements.

Diversity

The Board has adopted a written policy concerning diversity on the Board and with respect to executive officers (the “Diversity Policy”). The Board believes that diversity is important to ensure that Board members and executive officers possess the necessary range of perspectives, experience and expertise required to achieve the Company’s objectives and deliver for its stakeholders. The Company believes that diversity mitigates the risk of groupthink, ensures that the Company has the opportunity to benefit from all available talent and enhances, among other things, its organizational strength, problem-solving ability and opportunity for innovation. The Diversity Policy states, among other things, that the Board should consider diversity criteria including, but not limited to, any characteristic that can be used to differentiate groups and people from one another, such as gender, geographical representation, education, religion, ethnicity, race, nationality, culture, language, aboriginal or indigenous status and other ethnic distinctions, sexual orientation and disability, when determining the composition of the Board. It is an objective of the Company that diversity be considered when hiring executive officers and in connection with succession planning. There is currently one woman on the Board (representing 14% of the directors of the Company) and two women in executive officer positions (representing 25% of the executive officers of the Company).

The Company has not adopted numerical targets regarding the representation of women or persons with other self-identified diversity characteristics, such as race, ethnicity, religion, nationality, disability, sexual orientation or cultural background, on the Board or in executive officer positions. However, the Company monitors the level of representation of women and persons with other self-identified diversity characteristics on the Board and in senior management positions.

Environmental, Social and Governance: Cronos Style

Since its founding, Cronos has had a mission to improve people's lives by unlocking the full potential of cannabis. We aspire to be the leading cannabinoid company with brands that connect to consumers, with a winning culture, and industry-leading innovation.

As we strive to improve people's lives and generate long-term value for our shareholders, we are guided by the following principles:

- *People & Community.* We believe in fostering the most valuable global cannabis community comprised of passionate and daring people.
- *Quality Products.* We believe in developing innovative and meaningful products that meet the needs and exceed the expectations of our consumers.
- *Integrity & Leadership.* We take pride in leading the industry forward responsibly.

Environmental Sustainability: Utilizing Fermentation as a means of Production

Cannabinoids are naturally occurring compounds found in the cannabis plant. Certain rare cannabinoids naturally occur in the cannabis plant, but in minimal amounts. In partnership with Ginkgo Bioworks Holdings Inc. ("Ginkgo"), one of the world's leading biotechnology companies, the Company has leveraged fermentation to bring rare cannabinoids to consumers. The conventional methods of cultivating and extracting cannabinoids not only makes access to rare cannabinoids expensive, but the process is also resource intensive, leaving a large carbon footprint.

To measure the potential environmental impact of utilizing fermentation to produce rare cannabinoids, the Company retained Intertek Health Sciences Inc. to carry out a Life Cycle Assessment comparing conventional methods to fermentation for four different cannabinoids: cannabichromene (CBC), cannabigerol (CBG), tetrahydrocannabinol (THC), and tetrahydrocannabivarin (THCV).

The third-party verified results of this assessment showed that the environmental footprint of growing plants indoors is high and using innovative fermentation processes is a solution that dramatically lowers the environmental impact of cannabinoid production. On average, the carbon footprint savings of using the Company's fermentation method was 99.8% when compared to traditional extraction methods.

In August 2023, Cronos announced the planned wind-down of Thanos Holdings Ltd., known as Cronos Fermentation ("Cronos Fermentation"), and its production facility in Winnipeg, Manitoba and listed the facility for sale. Although we no longer operate a facility that leverages the strategic partnership with Ginkgo, we are the exclusive licensee of the intellectual property covered by the patent applications for the target cannabinoids under our strategic partnership with Ginkgo. We may leverage this intellectual property in the future, either through production at our facility in Stayner, Ontario (the "Peace Naturals Campus") or through a contract manufacturer, and we continue to utilize these cultured cannabinoids in our products sold in Canada. Through our use of these fermented cannabinoids in our products today, we are bringing more sustainable products to market.

Social: Investing in our People

The Company is committed to building disruptive intellectual property by advancing cannabis research, technology and product development and is seeking to develop an iconic brand portfolio. Our employees are critical to achieving this mission. To compete and succeed in our highly competitive and rapidly evolving industry, it is crucial that we continue to attract, develop, motivate and retain skilled, talented and passionate employees. We seek to build a winning team and to foster a community where everyone feels included and empowered to do their best work.

Compensation and Benefits.

Our compensation program is designed to attract, motivate and reward talented individuals who possess the skills necessary to support our business objectives, assist in achieving our strategic goals and create long-term value for our Shareholders. We believe we offer competitive compensation and benefits in each of our locations, including long-term equity awards to eligible employees under our equity incentive plans to reward and retain talented individuals and align employee and Shareholder interests.

Safety, Health and Well-being.

The safety, health and well-being of our employees are paramount to the Company. We provide our employees and their families with access to a variety of health and welfare programs, including benefits that support their physical and mental health by providing tools and resources to help them improve or maintain their personal health.

Health and Safety Standards.

We have standard operating procedures in place to ensure high standards of workplace safety are met for the safety of our employees. In our Canadian production facilities, Workplace Hazardous Materials Information System and safety training for all staff is conducted annually. New hires receive training in Good Manufacturing Practices (GMP) and Good Agricultural Practices (GAP) protocols as well as site- and department-specific health and safety and security training.

Employee Engagement, Learning and Development.

We are committed to developing our talent and building an agile and resilient organization with the skill sets to effectively adapt to changing business needs to best position the Company for success. We seek to foster a culture of employee learning, innovation and a drive to succeed through a talent development strategy that adapts to changing business needs. Management is an active enabler of our people strategy as we seek to recruit, retain and engage top talent that will maximize our business performance.

Diversity, Equity and Inclusion and Ethical Business Practices.

At Cronos, we believe it is our responsibility to foster a diverse, equitable and inclusive team. We know that the best work comes when people from all different walks of life have a seat at the table.

We believe that a diverse, equitable and inclusive work environment mitigates the risk of groupthink, ensures that the Company has the opportunity to benefit from all available talent and enhances, among other things, our organizational strength, problem-solving ability and opportunity for innovation. We continue to focus on understanding our diversity, equity and inclusion strengths and opportunities and executing on a strategy to support further progress. We are committed to hiring, developing and promoting employees with diverse backgrounds.

We seek to ensure this inclusivity is achieved through our regular anti-bias, anti-harassment, and annual Code of Business Conduct and Ethics training and support for our employees. We maintain a whistleblower policy and anonymous hotline for the confidential reporting of any suspected policy violations and provide training and education to our global workforce with respect to our Code of Business Conduct and Ethics and related policies.

Social: Caring for our Community

The Company is committed to responsibly leading the emerging global cannabinoid industry by focusing on product quality, transparent practices, and limiting access to only adult consumers. In each region where we conduct research, we adhere to local laboratory testing requirements.

Our experience in Canada has prepared us to operate in strictly regulated environments and provide products that appeal to consumers because of their quality.

We demonstrate our commitment to responsible marketing by minimizing reach and appeal to those below the legal age of consumption, including through our packaging and our advertising practices.

Marketing Code.

At Cronos we recognize there is a clear need for standards. That is why we proactively created our own. The principles in our Marketing Code apply to all marketing activities of all Cronos brands globally and are communicated to all business partners in any work they do on the Company's behalf. The Marketing Code represents the Company's commitment to responsible marketing standards. The Marketing Code standards are:

- Our advertising will be targeted to adults.
- We will highlight responsible cannabis consumption and any people depicted in any imagery will be adults.
- Our brand websites and social media will be designed for adults.
- Our marketing events will be targeted to adults and will promote responsible cannabis consumption.
- We will provide our customers with facts and substantiate our claims.

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics (the "Code"), a written code of business conduct and ethics for the Company's directors, officers and employees. The Code sets out the Board's expectations for the conduct of such persons in their dealings on behalf of the Company.

The Board has delegated responsibility for monitoring compliance with the Code and for investigating and enforcing matters related to the Code to the Company's executive officers, who will report breaches of the Code to the Company's Legal Department, for matters regarding accounting, internal accounting controls and other auditing matters to the Audit Committee, or for matters involving the CEO or any other senior executive or financial officer of the Company to any member of the Board. The Company's Legal Department or Audit Committee, as applicable, will promptly address all allegations of non-compliance with the Code and recommend corrective actions to local or head office management, as appropriate. The Company's General Counsel and Corporate Secretary is responsible for allegations relating to the most serious violations of the Code. Any waivers of the Code can only be granted by the Company's General Counsel and Corporate Secretary or the CEO and any such waivers are reported to the Audit Committee. The Company's General Counsel and Corporate Secretary reports regularly to the Board and the Audit Committee regarding serious suspected and confirmed Code violations. Waivers of the Code for executive officers may only be granted by the Board or a Committee of the Board and will be disclosed to Shareholders as required under applicable law.

Directors and executive officers are required by the Code to promptly disclose any potential conflict of interest that may arise. If a director or executive officer has a material interest in an agreement or transaction, he or she is required to declare the interest in writing or request to have such interest entered in the minutes of meetings of directors and, where required by applicable law, abstain from voting with respect to the agreement or transaction. The Code requires the prior approval of the other members of the Board prior to any director accepting an appointment as a director or officer of a competitor or competing business or becoming otherwise professionally engaged with a competitor or competing business. If we make any amendments to the Code or grant any waiver, including any implicit waiver, we will disclose the nature of such amendment or waiver on our website within four days of such amendment or waiver.

A copy of the Code is available on the Company's website at <https://ir.thecronosgroup.com/governance/documents-charters>.

Conflicts of Interest Policy

The Board has adopted a Conflicts of Interest Policy (the "Conflicts Policy") that applies to the Company's directors, officers and employees. The Conflicts Policy also applies to employees of affiliates and/or joint ventures controlled by or under common control of the Company (other than the Altria Group). The Conflicts Policy establishes the ethical standards and accountability expected of such persons in situations where there may be a conflict of interest. The Conflicts Policy is in addition to any requirements imposed by the Code, the Related Party Transactions Policy (described under "Related Party Transactions" below) and the requirements of the Investor Rights Agreement, which, among other things, requires the prior approval of an Independent Committee (as such term is

defined in the Investor Rights Agreement) for any transaction between any member of Altria Group and the Company or any of its subsidiaries, subject to certain exceptions.

The Conflicts Policy sets out the Company's commitment to avoiding actual or perceived conflicts of interest and the obligation of the Company's directors, officers and employees to disclose such situations. In addition to the requirements of the Conflicts Policy, directors and director nominees are required to complete an annual questionnaire (the "Director Questionnaire") with respect to any material interests or relationships that are, or could be perceived to be, an actual or potential conflict of interest with their obligation to act in the best interests of the Company, including details of the extent and nature of the actual, potential or perceived conflict of interest. Directors and director nominees are also required to disclose any new actual, potential or perceived conflicts of interest if they become aware of them following the completion of the Director Questionnaire.

Insider Trading Policy; Anti-Hedging; and Anti-Pledging

In addition to the Code, the Company has an insider trading policy (the "Insider Trading Policy") relating to the trading in securities of the Company by directors, officers and employees of the Company and its subsidiaries, and certain persons related to any such persons.

Among other things, the following transactions by directors and employees of the Company are prohibited by the Insider Trading Policy:

- speculating in securities of the Company;
- pledging securities of the Company as collateral for a loan;
- buying the Company's securities on margin;
- short sales of the Company's securities;
- transactions in puts or calls relating to the Company's securities; and
- purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of securities of the Company held, directly or indirectly by directors or employees, including equity securities granted as compensation.

Related Party Transactions and Related Party Transaction Policy

We or one of our subsidiaries may occasionally enter into transactions with certain "related persons". Related persons include our executive officers, directors, nominees for director, 5% or more beneficial owners of our Shares, immediate family members of these persons and entities in which one of these persons has a direct or indirect material interest. We generally refer to transactions with these related persons as "related party transactions".

Our Board has adopted a written policy governing the review, approval and ratification of transactions between us and related parties (the "Related Party Transactions Policy"). Our Related Party Transactions Policy is designed to assist with the proper identification, review and disclosure of related party transactions. Under the Related Party Transactions Policy, the following types of transactions must be approved or ratified by a committee of the Board comprised of at least three independent directors (determined in accordance with applicable NASDAQ Rules and subject, in certain circumstances, to additional limitations) (the "Independent Committee"):

- any transaction that exceeds \$120,000 in which a related party has or will have a direct or indirect material interest;
- any transaction that would require shareholder approval, a formal valuation or disclosure under Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions;
- any transaction pursuant to which a director or officer has a disclosable interest pursuant to Section 147 of the BCBCA or under any similar provision of any other corporate statute applicable to the Company;
- any material amendment, modification, extension or termination of the Investor Rights Agreement;
- any transaction that requires TSX approval under Part V of the TSX Company Manual; and
- any other transaction for which disclosure would be required pursuant to Item 404 of Regulation S-K.

In determining whether or not to approve a related party transaction, the Independent Committee will take into account, among other relevant factors:

- the terms of the transaction including the related party's interest and the purpose and timing of the transaction;
- whether the Company has demonstrable business reasons to enter into the transaction;
- whether the transaction would impair the independence of a director; and
- any potential reputational or other risk issues.

Certain transactions, including employment relationships, ordinary course sales of products, entering into any of the Commercial Arrangements (as defined below under "Altria Strategic Investment – Commercial Arrangements") and certain other ordinary course non-preferential transactions, are considered preapproved transactions, and thus do not require specific approval under the Related Party Transactions Policy. The Related Party Transactions Policy is in addition to any requirements imposed by the Code, the Conflicts Policy and the requirements of the Investor Rights Agreement, which, among other things, requires the prior approval of an "Independent Committee" (as such term is defined in the Investor Rights Agreement) for any transaction between any member of Altria Group and the Company or any of its subsidiaries, subject to certain exceptions.

In November 2022, the Company entered into an agreement with an external vendor whereby the vendor would provide certain manufacturing services to the Company. The vendor then subcontracted out a portion of those services to another vendor whose chief executive officer is an immediate family member of Mr. Jacobson, our Chief Growth Officer. During 2023, the Company purchased approximately \$2,310,000 of products and services under the subcontracted agreement and had approximately \$28,000 in outstanding accounts payable related to the agreement as of December 31, 2023.

In November 2023, the Company negotiated a direct contract with the related-party vendor. During 2023, the Company purchased approximately \$42,000 of products and services directly from the related-party vendor and had approximately \$11,000 in outstanding accounts payable to the vendor as of December 31, 2023.

The transactions under the subcontracted agreement and the direct contract were approved by the Audit Committee in accordance with the Related Party Transactions Approval Policy.

Relationship with Altria

See “Altria Strategic Investment” below for a discussion of the Company’s relationship with Altria.

Altria has entered into a voting agreement with the Company, which provides that Altria will (i) vote, or cause to be voted, all of the Shares beneficially owned by the Altria Group as of the 2024 Annual Meeting in favor of each of the Company’s proposals included in this Proxy Statement as more specifically set forth in, and subject to the terms and conditions of, the voting agreement, (ii) vote, or cause to be voted, all of the Shares beneficially owned by the Altria Group against any proposal to elect an individual other than a director nominee named in this Proxy Statement to the Board or any proposal inconsistent with any of the Company’s proposals included in this Proxy Statement as more specifically set forth in, and subject to the terms and conditions of, the voting agreement and (iii) not solicit or encourage any other shareholder of the Company to vote against or seek proxies against the proposals included in this Proxy Statement for the 2024 Annual Meeting, subject to the terms and conditions of the voting agreement. Altria’s obligation to vote, or cause to be voted, all of the Shares beneficially owned by the Altria Group in favor of the proposal to appoint the Company’s independent auditor is subject to certain conditions, including Altria consultation and feedback rights.

Share Ownership Guidelines

The Company’s share ownership guidelines establish levels of ownership of Shares at five times the CEO’s salary and two times the salary for other executive officers, which includes each of the named executive officers. Shares held for purposes of the guidelines may include Shares owned outright by the executive officer or his or her spouse and unvested time-based Restricted Share Units. An executive officer has five years from his or her appointment as an executive officer to achieve the level of Share ownership applicable to such executive officer.

Board and Committee Assessment

The Board is responsible for assessing annually the effectiveness of the Board as a whole, the Board committees and the contribution of individual directors. Assessments of the Board and its committees will consider the Board mandate and the relevant committee charter, as the case may be. Assessments of individual directors will consider the position description and skills and competencies applicable to that individual. The full Board will discuss the collective assessment to determine what, if any, actions should be taken to improve effectiveness.

Director Term Limits

The Board has not adopted a term limit for directors. In light of the tenures of the nominees for election to the Board at the Annual Meeting and the nature of the industry in which the Company operates, the Board does not believe that adopting a term limit for directors is necessary or appropriate at this time.

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

To the knowledge of the Company, none of the directors or director nominees is, as at the date of this Proxy Statement, or was within 10 years before the date of this Proxy Statement, a director, chief executive officer or chief financial officer of any company (including the Company) that was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days:

- that was issued while the director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer; or
- that was issued after the director or executive officer ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer,

except that each of Messrs. Adler, Ashton, Gorenstein, and Rudyk was a director of the Company and, in the case of Mr. Gorenstein, Executive Chairman of the Company, when the Company was subject to a management cease trade order issued by the Ontario Securities Commission on November 16, 2021 in connection with the Company’s failure to timely file, as required by Ontario securities law, its interim financial statements for the period ended September 30, 2021, together with its related management’s discussion and analysis and certifications. The management cease trade order was revoked on February 23, 2022.

To the knowledge of the Company, none of the directors or director nominees, is, as at the date of this Proxy Statement, or was within 10 years before the date of this Proxy Statement, a director or executive officer of any company that, while the person was acting in that capacity, or within one year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets. To the knowledge of the Company, none of the director nominees has, within 10 years before the date of this Proxy Statement, become bankrupt, made a proposal under any

legislation relating to bankruptcy or insolvency, or has become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such person.

Altria Strategic Investment

As of March 31, 2024, the Altria Group beneficially held 156,573,537 Shares and had the right to acquire additional Shares under its pre-emptive and top-up rights as discussed below.

Investor Rights Agreement

On March 8, 2019, in connection with the closing of Altria Group’s investment in us (the “Altria Investment”), we entered into the Investor Rights Agreement with Altria pursuant to which Altria received certain governance rights which are summarized below.

Board Representation

See “Proposal No. 1—Election of Directors” above for a discussion of Altria’s right to designate director nominees under the Investor Rights Agreement and the Company’s decision to waive the Investor Rights Agreement Independent requirement as to Mr. Garnick.

The Investor Rights Agreement also provides that, subject to certain exceptions, for so long as Altria is entitled to designate one or more Altria Nominees, we agree to appoint to each committee established by the Board such number of Altria Nominees that represents Altria’s proportionate share of the number of directors comprising the Board (rounded up to the next whole number) based on the percentage of our issued and outstanding Shares beneficially owned by the Altria Group at the relevant time.

Altria has entered into an agreement to vote the shares beneficially owned by Altria Group in favor of the proposals in this Proxy Statement, as more specifically set forth in, and subject to the terms and conditions of, such agreement. See “Related Party Transactions and Related Party Transaction Policy” for more information on the voting agreement with Altria.

Approval Rights

The Investor Rights Agreement also grants Altria, until the Altria Group beneficially owns less than 10% of our issued and outstanding Shares, approval rights over certain transactions that may be undertaken by us. We have agreed that we will not (and will use our commercially reasonable efforts to cause our affiliates not to), without the prior written consent of Altria:

- consolidate or merge into or with another person or enter into any similar business combination;
- acquire any shares or similar equity interests, instruments convertible into or exchangeable for shares or similar equity interests, assets, business or operations with an aggregate value of more than C\$100,000,000, in a single transaction or a series of related transactions;
- sell, transfer, caused to be transferred, exclusively license, lease, pledge or otherwise dispose of any of our or any of our significant subsidiaries’ assets, business or operations in the aggregate with a value of more than C\$60,000,000;
- except as required by applicable law, make any changes to our policy with respect to the declaration and payment of any dividends on our Shares;
- subject to certain exceptions, enter into any contract or other agreement, arrangement, or understanding with respect to, or consummate, any transaction or series of related transactions between us or any of our subsidiaries, on the one hand, and any related parties, on the other hand, involving consideration or any other transfer of value required to be disclosed pursuant to Item 404 of Regulation S-K; or
- engage in the production, cultivation, advertisement, marketing, promotion, sale or distribution of cannabis or any Related Products and Services (as those terms are defined in the Investor Rights Agreement) in any jurisdiction, including the U.S., where such activity is prohibited by applicable law as of the date of the Investor Rights Agreement (subject to certain limitations).

Pre-Emptive Rights and Top-Up Rights

Pursuant to the terms of the Investor Rights Agreement, Altria, provided the Altria Group continues to beneficially own at least 20% of our issued and outstanding Shares, will have a right to purchase, directly or indirectly by another member of the Altria Group, upon the occurrence of certain issuances of Shares by us (including issuances of Shares to Ginkgo under the collaboration and license agreement (the “Ginkgo Collaboration Agreement”) dated September 1, 2018 between Ginkgo and the Company (each, a “Ginkgo Issuance”)) (each, a “Triggering Event”) and subject to obtaining the necessary approvals, up to such number of Shares issuable in connection with the Triggering Event which will, when added to the Shares beneficially owned by the Altria Group immediately prior to the Triggering Event, result in the Altria Group beneficially owning the same percentage of our issued and outstanding Shares that the Altria Group beneficially owned immediately prior to the Triggering Event (in each case, calculated on a non-diluted basis). The price per Share to be paid by Altria pursuant to the exercise of these pre-emptive rights will be, subject to certain limited exceptions, the same price per Share at which the Shares are sold in the relevant Triggering Event; provided that if the consideration paid in connection with any such issuance is non-cash, the price per Share that would have been received had such Shares been issued for cash consideration will be determined by an independent committee (acting reasonably and in good faith); provided further that the price per Share to be paid by Altria pursuant to the exercise of its pre-emptive rights in connection with a Ginkgo Issuance will be C\$16.25 per Share.

In addition to (and without duplication of) the aforementioned pre-emptive rights, the Investor Rights Agreement provides Altria with top-up rights, exercisable on a quarterly basis, whereby, subject to obtaining the necessary approvals and for so long as the Altria Group beneficially owns at least 20% of our issued and outstanding Shares, Altria (or another member of the Altria Group to which it has assigned such right) shall have the right to subscribe for such number of Shares in connection with any Top-Up Securities (as defined herein) that we may, from time to time, issue after the date of the Investor Rights Agreement, as will, when added to the Shares beneficially owned by the Altria Group prior to such issuance, result in the Altria Group beneficially owning the same percentage of our issued and outstanding Shares that the Altria Group beneficially owned immediately prior to such issuance. “Top-Up Securities” means any of our Shares issued:

- on the exercise, conversion or exchange of our convertible securities issued prior to the date of the Investor Rights Agreement or on the exercise, conversion or exchange of our convertible securities issued after the date of the Investor Rights Agreement in compliance with the terms of the Investor Rights Agreement, in each case, excluding any of our convertible securities owned by any member of the Altria Group;
- pursuant to any share incentive plan of the Company;
- on the exercise of any right granted by us pro rata to all Shareholders to purchase additional Shares and/or other securities of the Company (other than a right issued in a rights offering in which Altria had the right to participate);
- in connection with bona fide bank debt, equipment financing or non-equity interim financing transactions with our lenders, in each case, with an equity component; or
- in connection with bona fide acquisitions (including acquisitions of assets or rights under a license or otherwise), mergers or similar business combination transactions or joint ventures undertaken and completed by us,

in each case, other than (A) Shares issued pursuant to Altria’s pre-emptive right and (B) Shares issued pursuant to the Ginkgo Collaboration Agreement.

The price per Share to be paid by Altria pursuant to the exercise of its top-up rights will be, subject to certain limited exceptions, the volume-weighted average price of our Shares on the TSX for the ten full trading days preceding such exercise by Altria (or another member of the Altria Group to which it has assigned such right); provided that the price per Share to be paid by Altria pursuant to the exercise of its top-up rights in connection with the issuance of Shares pursuant to the exercise of options or warrants that were outstanding on the date of closing of the Altria Investment will be C\$16.25 per Share without any setoff, counterclaim, deduction or withholding.

Standstill Covenant

The former restrictions on Altria’s ability to acquire Shares in the open market under the Investor Rights Agreement have terminated.

Registration Rights

The Investor Rights Agreement provides the Altria Group with the right, subject to certain limitations and to the extent permitted by applicable law, to require us to use reasonable commercial efforts to file a prospectus under applicable securities laws and/or a registration statement, qualifying our Shares held by the Altria Group for distribution in Canada and/or the U.S. In addition, the Investor Rights Agreement provides the Altria Group with the right to require us to include our Shares held by the Altria Group in any proposed distribution of Shares in Canada and/or the U.S. by us for our own account.

Commercial Arrangements

In connection with the Altria Investment, we and Altria and/or one or more other members of the Altria Group have entered into certain commercial support arrangements (the “Commercial Arrangements”), pursuant to which Altria may provide us with strategic advisory and consulting services on matters which may include research and development, marketing, advertising and brand management, government relations and regulatory affairs, finance, tax planning, logistics and other corporate administrative matters. The services under the Commercial Arrangements are provided on customary terms and for a services fee payable by us that is equal to Altria’s reasonably allocated costs plus 5%. During fiscal year 2023, Altria did not provide any services under the Commercial Arrangements.

Executive Summary

Overview of Executive Compensation Program

The cannabis industry is highly competitive and rapidly evolving due to stringent regulatory frameworks and changes in economic, market and political conditions. As a result, we believe it will take discipline, deliberate strategic growth and flexibility to succeed and create long-term value for our Shareholders.

Our executive compensation program is designed to attract, motivate and retain talented and high-performing executives to lead the Company’s business strategy and objectives, while also effectively aligning the compensation of our executives with the creation of long-term value for our Shareholders. The Compensation Committee is responsible for designing an executive compensation program that ensures an appropriate level of risk-taking by the Company’s executives. The Compensation Committee designs our executive compensation program to support our compensation philosophy and goals to:

- position the Company competitively within the external market against which we compete for talent;
- align the interests of our executives with those of our Shareholders by tying significant portions of pay to performance, paying a substantial portion of compensation in incentive compensation and equity, subjecting equity compensation to multi-year vesting periods and requiring share ownership; and
- tie executive compensation to performance and achievement of the Company’s business goals and ensure that compensation varies based on business performance and achievement of individual objectives.

Our 2023 annual compensation package for our NEOs consists of base salary, short-term incentives based on Company and individual performance, and long-term incentives in the form of Restricted Share Units, which vest ratably on an annual basis over three years. In setting target compensation packages for our NEOs, the Compensation Committee reviewed the total compensation opportunity for each executive compared to compensation offered to executives in comparable positions within the Cronos Peer Group (as defined below), along with other comparative factors. The Company’s short-term incentive compensation program (the “STIC Program”) is designed to reward the achievement of the Company’s short-term goals, which are primarily related to the Company’s revenues and growth, and each executive’s achievement of individual performance goals. The long-term incentive equity component of our target compensation packages is designed to retain our executives and incentivize them to achieve long-term financial and strategic objectives.

The notable features of the Company’s 2023 executive compensation program, both what we do and what we don’t do, which were designed to align with “best practice” compensation governance, are provided below.

What We Do

- Make pay decisions aligned with our compensation philosophy
- Regularly review the competitiveness and appropriateness of pay levels for senior executives versus industry peers
- Deliver the majority of executive compensation in “at risk”, variable incentives
- Pay for performance, with the actual value received from incentive awards directly aligned with key Company operating and financial results and individual goals
- Grant equity-based long-term incentives which vest over multi-year periods
- Reinforce an ownership culture, with long-term incentives settled in Shares and Share ownership guidelines for our executives

What We Don’t Do

- Guarantee short-term cash incentive amounts
- Re-price or back-date equity awards
- Issue equity awards with an exercise price below the closing price of our Shares on the trading date immediately before the grant date
- Provide any excise tax gross-ups or other payment or reimbursement of excise taxes on severance in connection with a change of control
- Offer off-market executive benefits and perquisites
- Make “single-trigger” payments upon a change of control or maintain any plans that require single-trigger change of control acceleration of equity awards to our NEOs upon a change of control (other than in limited cases due to special circumstances⁽¹⁾)

- Prohibit employees, officers and directors and others who could potentially possess material nonpublic information from pledging, hedging and other securities transactions intended to lock in the gain on share price growth
- Retain external and independent advisors to support the Compensation Committee on executive compensation decisions throughout the year
- Maintain clawback policies that apply to cash, equity or equity-based incentive or bonus compensation paid to current and former Company executive officers
- Maintain pay policies and practices that pose a material adverse risk to the Company

(1) Described in more detail under “Potential Payments Upon Termination or Change of Control — Long-Term Incentive Awards under the 2020 Omnibus Plan —Mr. Gorenstein”.

Say-on-Pay

At our 2023 annual meeting of Shareholders, our Shareholders demonstrated their strong support of our executive compensation program, with approximately 93% of votes cast in favor of the advisory “say-on-pay” proposal, excluding abstentions and broker non-votes. We believe this vote reflected strong support for our executive compensation program design, which focuses on (i) incentives and metrics that align executive officer interests with Shareholder interests, and (ii) recruitment, engagement, motivation and retention of our executive officers. Although no changes were made to our executive compensation program based on the 2023 say-on-pay vote, we continue to evaluate our executive compensation program to ensure alignment of management incentives with Shareholder interests, which alignment we view to be essential to our long-term success.

Strategic and Organizational Update

In May 2023, Cronos simultaneously announced the discontinuation of the U.S. segment and the planned repurposing of the Lord Jones® brand by bringing the brand back to its adult-use roots in Canada. We launched the Lord Jones® brand in Canada in the fourth quarter of 2023.

In August 2023, following a careful evaluation of the Company’s global supply chain, the Company announced the planned wind-down of Thanos Holdings Ltd., known as Cronos Fermentation. The Company incurred charges of \$0.7 million in the year ended December 31, 2023, related to the wind-down of Cronos Fermentation and expects to incur charges of approximately \$0.1 million of additional costs in connection with the ongoing exit. These charges include employee-related costs, such as severance, relocation and other termination benefits, as well as contract termination and other related costs. Cronos ceased to operate the Cronos Fermentation facility during the first quarter of 2024.

Also in August 2023, the Company announced organization-wide cost reductions. The Company incurred charges of \$0.8 million in the year ended December 31, 2023, related to the cost reductions and expects to incur additional restructuring costs of approximately \$0.1 million in connection with the cost reductions, which include mostly one-time employee-related severance charges.

In the fourth quarter of 2023, the Company entered into an agreement for the sale and leaseback of the Peace Naturals Campus for an aggregate purchase price of C\$23 million in cash, subject to certain terms and conditions. At closing the parties expect to enter into a lease agreement with respect to portions of the Peace Naturals Campus. The lease will have an initial term of five years with one five-year renewal option that may be exercised by the Company.

Governance of Executive Compensation

Framework for Compensation Decisions

Role of Compensation Committee

The Compensation Committee is currently comprised of three directors of the Company, each of whom is considered to be independent under applicable NASDAQ Rules: Jason Adler (Chair), James Rudyk, and Elizabeth Seegar. Messrs. Adler and Rudyk are also considered to be independent under NI 58-101. See “Board of Directors, Committees and Governance—Committees of Our Board of Directors—Compensation Committee”.

The Compensation Committee is responsible for reviewing and determining the compensation of the executive officers of the Company and for reviewing and making recommendations to the Board concerning the compensation of directors. Based on the recommendations of the Compensation Committee, the Board is responsible for determining the compensation paid to the directors of the Company.

The Compensation Committee considers the performance of the Company and the individual executive officers in executing their responsibilities to determine total compensation for the Company’s executive officers. The Compensation Committee also considers

compensation data gathered from the Cronos Peer Group and relevant market data in making compensation decisions. See “Discussion and Analysis of 2023 Compensation— Benchmarking Target Compensation”.

The Compensation Committee’s assessment of corporate performance for executive compensation purposes is based on a number of qualitative and quantitative factors, including execution of ongoing projects and transactions, operational performance and progress on key growth initiatives. The NEOs do not automatically receive any particular award based on the Compensation Committee’s determination of the overall performance of the Company, but rather the determination establishes the background for the Compensation Committee’s subsequent review of each NEO’s individual performance. See “Discussion and Analysis of 2023 Compensation—Elements of Compensation—Short-Term Incentive Compensation—Performance Measures”. Further, the Compensation Committee makes its final determination of executive compensation in an executive session not attended by the NEOs whose compensation is being deliberated. From time to time, the Compensation Committee delegates certain duties to members of management in accordance with the Compensation Committee Charter.

Role of the CEO and the Senior Vice President, Global Head of People

The Compensation Committee works with our CEO and our Senior Vice President, Global Head of People to formulate the specific compensation plan and award designs, including targets and weightings in support of business performance measures necessary to align our executive compensation program with our business objectives and strategies.

Generally, the CEO and the Senior Vice President, Global Head of People participate in meetings of the Compensation Committee at the Compensation Committee’s request to provide relevant background information regarding the Company’s strategic objectives and to evaluate the performance of, and make compensation recommendations for, the other executive officers. The Compensation Committee uses the information provided by the CEO and the Senior Vice President, Global Head of People along with advice from its independent compensation consultant and the knowledge and experience of the Compensation Committee members in making compensation decisions. The CEO and the Senior Vice President, Global Head of People do not review or recommend compensation for themselves or for each other.

Role of Compensation Consultant and Independence

The Compensation Committee first retained Mercer (Canada) Limited (“Mercer”) in 2018 to assist in evaluating our executive compensation program and in setting executive officer compensation. During 2023, Mercer assisted the Compensation Committee by providing services, including the following:

- reviewing and updating the Cronos Peer Group;
- reviewing the CD&A;
- conducting a comparison of the Company’s executive compensation program to those of the Cronos Peer Group (as defined below);
- updating the Compensation Committee on evolving compensation trends and best practices;
- advising the Compensation Committee on the competitiveness of our executive compensation program design and award values; and
- participating in Compensation Committee meetings, as requested.

Mercer supported the Compensation Committee in evaluating our executive compensation by developing the Cronos Peer Group, which includes cannabis, biotechnology/pharmaceuticals and consumer-packaged goods companies with similar market capitalizations, geographic footprints, organizational complexity and size or with which we could potentially compete for talent. Mercer benchmarked components of the total compensation package for each of our executive officers to those for comparable positions in the Cronos Peer Group and, in some cases, other relevant market data. The Compensation Committee considers input from Mercer when making compensation decisions; however, the Compensation Committee’s final decisions reflect many factors and considerations. For more information regarding the Cronos Peer Group, see “Discussion and Analysis of 2023 Compensation—Benchmarking Target Compensation” below.

In 2023, Mercer was engaged directly by the Compensation Committee but regularly consulted with management in performing work requested to be performed by the Compensation Committee. Neither Mercer nor any of its affiliates performed any separate services for management.

The Compensation Committee annually reviews the independence of its compensation consultant. The Compensation Committee has determined that Mercer is independent and that its work with the Compensation Committee during 2023 did not raise any conflict of interest.

Compensation Governance Features

Share Ownership Guidelines.

To reinforce our ownership culture, in March 2021, the Committee adopted share ownership guidelines that require executives to acquire and hold a certain number of Shares. The Company’s share ownership guidelines establish levels of ownership of Shares at five times the salary for the CEO and two times the salary for other executive officers (including the NEOs). Shares held for purposes of the guidelines may include Shares owned outright by the executive officer or his or her spouse and unvested time-based Restricted Share Units. Each executive officer has five years from his or her appointment as an executive officer to achieve the level of Share ownership applicable to such executive officer. Each executive officer is within the applicable window to achieve the prescribed level of Share ownership.

Prohibition on Insider Trading.

The Company's insider trading policy applies to employees, officers, directors, consultants, secondees, interns and any third-party service providers who are in a position to possess inside information in the course of services provided to the Company (the "Covered Personnel"). The insider trading policy prohibits Covered Personnel from trading in our securities (or securities of any other publicly traded issuer with which the Company does business) while in possession of material nonpublic information or during blackout periods applicable to such Covered Personnel, other than in connection with a Rule 10b5-1 plan adopted in compliance with the policy.

Equity Grant Timing.

The Company does not time equity award grants in coordination with the release of material non-public information. Annual equity awards to executive officers are generally made in March, following the Company's fourth quarter and fiscal year earnings release, and grants to any newly-hired or promoted executives are generally made on or about the date of hire or promotion.

Anti-Hedging Policy.

As part of the Company's insider trading policy, Covered Personnel are also prohibited from, directly or indirectly, entering into any speculation, short-selling, hedging or monetization transactions relating to our securities or otherwise trading in any instrument relating to the future price of our securities, such as a put or call option, futures contract, collar or other derivative security.

Anti-Pledging Policy.

The Company's insider trading policy also prohibits Covered Personnel from pledging Shares as collateral for any loan. On a case-by-case basis, the policy's administrators may grant an exemption to the prohibition and may subject any such exemption to specific requirements and criteria to prevent any disposition of our securities while Covered Personnel are in possession of inside information.

Anti-Fraud Policy.

The Company's anti-fraud policy sets out the Company's expectations and requirements relating to the prohibition, recognition, reporting and investigation of suspected fraud, corruption, misappropriation and similar irregularities. Under the anti-fraud policy, any employee or director who violates the terms of this policy may be subject to disciplinary action up to and including termination or removal, as applicable, without notice.

Clawback Policies.

The Company maintains a clawback policy that applies to any current or former executive officer of the Company for purposes of Section 16 of the Exchange Act and all other personnel who are subject to our enhanced sub-certification process. The policy permits the Company to clawback any annual or long-term cash, equity or equity-based incentive or bonus compensation paid, provided or awarded to any covered employee on or after February 28, 2020, the effective date of the clawback policy, that either (i) is outstanding and unpaid, whether vested or unvested, that was awarded to the covered employee; or (ii) was paid to and received by the covered employee (including gains realized through the exercise of Stock Options or share appreciation rights) during the three-year period preceding the date of a clawback event.

Effective as of December 1, 2023, the Company adopted a compensation recovery policy regarding accounting restatements in connection with the SEC's adoption of new rules to implement Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and corresponding NASDAQ listing standards. The restatement compensation recovery policy generally requires the Company to recover erroneously awarded incentive-based compensation received by current and former executive officers (as defined in Rule 10D-1 of the Exchange Act), including the NEOs, during the three completed fiscal years immediately preceding the date that the Company is required to prepare an accounting restatement due to material noncompliance with any financial reporting requirement under United States federal securities laws.

Risk Management.

Among other duties, the Compensation Committee is responsible for reviewing the Company's incentive compensation arrangements and determining whether those arrangements require modification to ensure they do not encourage inappropriate or unintended risk taking. In its assessment, the Compensation Committee reviewed the Company's compensation structure and noted numerous ways in which risk is potentially mitigated by practices and policies that include: the balanced mix between short- and long-term incentives; the use of multiple performance measures for short-term cash incentive awards of the NEOs; prohibitions against speculating, short-selling and hedging; the prohibition on pledging of securities; and the existence of anti-fraud, clawback and restatement compensation recovery policies. Based on its analysis in 2023, the Compensation Committee believes that the architecture of the Company's compensation programs provides various safeguards, including stock ownership guidelines, anti-hedging and pledging policies, and clawback and restatement compensation recovery policies, to protect against undue risk-taking and has concluded that none of the Company's incentive plans are likely to motivate behavior that would result in a material adverse impact to the Company.

Tax Considerations

The Compensation Committee structures the Company's compensation program to attract, retain and motivate executives in a manner that serves the long-term interests of the Company's Shareholders. When designing the executive compensation program, the Compensation Committee takes into account a variety of considerations, including tax deductibility and other tax implications, such as Section 162(m) of the Internal Revenue Code, which generally limits the tax deductibility of compensation paid to "covered employees" to \$1 million. However, the Compensation Committee retains discretion and flexibility to award non-deductible compensation as it deems appropriate and in furtherance of the Company's compensation philosophy and objectives.

Discussion and Analysis of 2023 Compensation

Compensation Philosophy

The Compensation Committee believes that Shareholder interests are advanced if the Company assembles, motivates and rewards a high-performing management team. To promote this objective, the Compensation Committee developed an executive compensation program with the following goals in mind:

- position the Company competitively within the external market against which we compete for talent;
- align the interests of our executives with those of our Shareholders by tying significant portions of pay to performance, paying a substantial portion of compensation in incentive compensation and equity, subjecting equity compensation to multi-year vesting periods and requiring share ownership; and
- tie executive compensation to performance and achievement of the Company’s business goals and ensure that compensation varies based on business performance and achievement of individual objectives.

Benchmarking Target Compensation

Compensation levels for the Company’s NEOs were compared to compensation paid by a group of peer companies approved by the Compensation Committee (the “Cronos Peer Group”). The companies selected to be part of the Cronos Peer Group were cannabis, biotechnology/pharmaceuticals and consumer-packaged goods companies with similar market capitalizations, geographic footprints, organizational complexity as compared to the Company or with which the Company could potentially compete for talent.

With respect to 2023 NEO pay decisions, the Cronos Peer Group was comprised of the following 16 companies.

Market capitalization values were converted from C\$ to USD using the December 31, 2023 Bank of Canada exchange rate of C\$1.00 to \$0.756.

(3) On September 26, 2023, Reata Pharmaceuticals, Inc. (“Reata”), was acquired by Biogen Inc. (“Biogen”), with Reata surviving the merger as a wholly-owned subsidiary of Biogen.

The Compensation Committee reviews the Cronos Peer Group annually. In assessing proposed changes to the fiscal year 2022 Cronos Peer Group, the Compensation Committee aimed to strike an appropriate balance between peers in the cannabis industry and the broader biotechnology, pharmaceuticals and consumer goods industries. The Compensation Committee believes that this balance will assist Cronos in setting compensation levels for our NEOs and in shaping our go-forward compensation strategy. The current Cronos Peer Group, which has changed from 2022, is comprised of ten cannabis, two biotechnology and 3 consumer goods companies.

Elements of Compensation

Rather than strictly applying formulas and weightings to forward-looking performance objectives, which may lead to unintended consequences for compensation purposes, the Compensation Committee exercises its discretion and uses its sound judgment in making compensation determinations. The Compensation Committee’s comprehensive assessment of the overall business performance of the Company, including corporate performance against objectives (both quantitative and qualitative), business circumstances and, where appropriate, relative performance against peers, provides the context for individual NEO evaluations for total direct compensation.

The NEOs provide services under employment agreements, described in more detail below, which provide for fixed base salaries and certain benefits. Under their employment agreements, the NEOs are also eligible to receive performance-based incentive compensation, as discussed below. Fixed compensation and performance-based incentive compensation together represent total direct compensation.

Given the highly regulated and rapidly evolving nature of the cannabis industry, markets and products, it is challenging to design a compensation structure to attract and retain the kind of executive talent required to support the Company’s growth and expansion plans. Industry practices are varied and therefore compensation data analysis requires significant business judgment and interpretation of underlying business conditions. The Compensation Committee considers the Company’s business strategy, the expertise of its executives, and the ongoing evolution of industry and competitive compensation practices in establishing a tailored pay program that will attract and retain its executive talent.

In determining appropriate compensation levels, the Compensation Committee considers, in addition to market data and practices:

- the executive’s experience, performance, contributions and job proficiency;
- retention risks and succession planning considerations;
- best practices and regulatory considerations;
- internal equity relative to other executives; and
- the then-current trading price of Company Shares.

Base Salary

Base salaries for our NEOs are intended to reflect the scope of their responsibilities, performance, skills and experience as compared with relevant and comparable market talent. Base salaries are fixed pursuant to each NEO’s employment agreement and are reviewed periodically by the Compensation Committee. Occasionally, we may make adjustments to base salaries during the year to align with comparable base salaries among the Cronos Peer Group or in recognition of significant contributions to the Company.

Current NEO	Base Salary as of 12/31/2022	Base Salary as of 12/31/2023	Percentage Change ⁽¹⁾

Short-Term Incentive Compensation

Short-term cash incentives are intended to reward executives for achieving the Company’s financial and business objectives (the “Business Performance”) and each executive’s own individual performance (the “Individual Performance”). The 2023 short-term cash incentive target as a percentage of base salary for each NEO was determined by the Compensation Committee after consideration of the executive’s position, scope of responsibilities, ability to influence Company results and competitive pay practices among the Cronos Peer Group and relevant market data. These targets as a percentage of base salary were unchanged from 2022. Short-term cash incentives are paid only after both the Business Performance and the Individual Performance results are assessed against targeted levels of performance. None of our NEOs are guaranteed a short-term incentive bonus amount.

Target Incentive Amounts

The table below shows the target 2023 short-term incentive opportunities for each of our NEOs, expressed as a percentage of base salary and in dollars (each, a “Target Incentive Amount”).

Current NEO	2023 Base Salary	2023 Short-Term Incentive Target as Percentage of Base Salary	2023 Target Incentive Amount

2023 Short-Term Incentive Payout Determination

For 2023, each NEO’s short-term incentive compensation payout under the 2023 STIC Program (the “NEO 2023 Bonus Amount”) is determined with 60% based on the achievement of the Company’s Business Performance results as compared to performance targets (the “Business Performance Rating”), with quantitative Business Performance results eligible to be adjusted based on qualitative Business Performance factors. The remaining 40% is based on Individual Performance results (the “Individual Performance Rating”).

The amount of each NEO’s 2023 Bonus Amount was determined by the following formula, subject to a maximum payout equal to 142% of the Target Incentive Amount:

Business Performance Rating

For 2023, each NEO’s Business Performance Component was evaluated using the net revenue and adjusted EBITDA (“Adjusted EBITDA”) of the Company, which is intended to further align the Company’s “one team” mindset. Each of net revenue and Adjusted EBITDA were weighted equally and are described in more detail below.

Adjusted EBITDA is a non-GAAP measure that excludes non-cash items or items that do not reflect the Company’s assessment of on-going business performance. Management believes that Adjusted EBITDA provides the most useful insight into underlying business trends and results and provides a more meaningful comparison of year-over-year results than GAAP net income, the closest GAAP measure. Management uses Adjusted EBITDA for planning, forecasting and evaluating business and financial performance, including allocating resources and evaluating results relative to employee compensation targets.

Targets for the measures for the Business Performance Component were aligned to what we believed to be the expectations of our investors at the time of setting the Company’s 2023 annual budget. The Business Performance Rating is calculated by taking the average of the ratings for each Business Performance Component and, subject to the sole discretion of the Compensation Committee, adjusting this result up or down based on qualitative Business Performance factors identified by the Compensation Committee. The Compensation Committee did not adjust the Business Performance Rating for any executive officer for 2023 based on these qualitative Business Performance factors.

The Business Performance Component for 2023 is comprised of two measures:

- **Net Revenue.** Net revenue for purposes of the Business Performance Component is the Company’s net revenue on a consolidated basis in accordance with GAAP, which the Company considers to be a key measure of growth and expansion of the Company’s business.
- **Adjusted EBITDA.** Management defines Adjusted EBITDA as net income (loss) before interest, tax expense, depreciation and amortization adjusted for: share of (income) loss from equity method investments; impairment loss on goodwill and intangible assets; impairment loss on long-lived assets; (gain) loss on revaluation of derivative liabilities; (gain) loss on revaluation of financial instruments; transaction costs related to strategic projects; impairment loss on other investments; foreign currency transaction loss; other, net; loss from discontinued operations; restructuring costs; inventory write-downs resulting from restructuring actions; share-based compensation; and financial statement review costs and reserves related to the restatements of the Company’s 2019 and 2021 interim financial statements (the “Restatements”), including the costs related to the settlement of the SEC’s and the Ontario Securities Commission’s (the “OSC”) investigations thereof and legal costs defending shareholder class action complaints brought against the Company as a result of the 2019 restatement. A reconciliation of Adjusted EBITDA to net income (loss) is included in Appendix B.

Under the 2023 STIC Program, the Business Performance Component rating may range from 0% to 150%, where achieving the Target corresponds to a 100% rating for the Business Performance Component. The Business Performance Component is subject to a minimum performance threshold (the “Threshold”) and a maximum performance level (the “Maximum”). If a Threshold is not met for the Business Performance Component, it will be scored as 0% when calculating the Business Performance Rating. Actual Business Performance results that meet or exceed the Maximum will result in a score of 150% for the Business Performance Component.

For 2023, the rating for the Business Performance Component was calculated as follows:

Business Performance Component	Business Performance Component Rating Calculation
Actual Result	(expressed as a % of target)
Below Threshold	0
Greater than Threshold, less than Target	$((\text{actual result} - \text{Threshold}) / (\text{Target} - \text{Threshold})) * 100$
Equal to Target	100
Greater than Target, less than Maximum	$((\text{actual result} - \text{Target}) / (\text{Maximum} - \text{Target})) * 50 + 100$
Equal to or greater than Maximum	150

The table below shows the (i) Threshold, (ii) Target and (iii) Maximum targets for each measure of each Business Performance Component established by the Compensation Committee for the 2023 STIC Program, each of which were set in the first quarter of 2023, (iv) the actual results achieved for each measure in 2023, (v) the rating for each measure for the Business Performance Component, and (vi) the combined ratings for the Business Performance Component.

Business Performance	Threshold (in millions)	Target (in millions)	Maximum (in millions)	2023 Actual	Measure Rating	Component Rating
Cronos Global						
Net revenue	\$92.1	\$108.4	\$124.7	\$87.2	—%	75%
Adjusted EBITDA*	\$(86.5)	\$(75.2)	\$(63.9)	\$(61.6)	150%	

* Adjusted EBITDA is a non-GAAP financial measure. Please refer to the definition set forth above and Appendix B for the reconciliation of Adjusted EBITDA to net income (loss).

The overall quantitative Business Performance Rating was 75%. The Compensation Committee retains the ability to make adjustments to the Business Performance Ratings based on qualitative achievements of the Company but did not do so in 2023.

Individual Performance Measures

Incentive awards are differentiated based on Individual Performance, with 40% of the Target Incentive Amount for our executives based on Individual Performance. For each NEO, the Individual Performance Rating can range from 0% to 130%.

Individual Performance factors were specific to each NEO’s job function. In determining the Individual Performance of our NEOs, the Compensation Committee noted the highlights of the 2023 performance of each NEO who received an Individual Performance rating in respect of 2023 as described below.

- **Mr. Gorenstein** continued to lead the strategic realignment of our business in 2023, which included ceasing U.S. operations and the planned wind-down of the Cronos Fermentation facility, which contributed to cost savings of approximately \$30.0 million in operating expense in 2023. Mr. Gorelik also navigated Cronos Israel through the impacts of the Israel-Hamas War on our Israel operations.

2024 Cash Retention Bonuses

On March 5, 2024, the Company granted a one-time cash retention bonus to each NEO (the “2024 Retention Bonuses”). The 2024 Retention Bonuses were paid in a single lump sum on March 22, 2024 (for all NEOs other than Mr. Gorelik) or April 1, 2024 (for Mr. Gorelik), in the following amounts: \$174,375 (Mr. Gorenstein); \$66,413 (Mr. Holm); \$34,830 (Ms. Shlimak); CAD \$72,450 (Mr. Jacobson) and ILS 47,250 (Mr. Gorelik). The 2024 Retention Bonuses are subject to forfeiture and clawback if at any time prior to March 22, 2025 the NEO either (i) provides the Company with notice of his or her intention to resign from employment or (ii) is terminated for cause. Accordingly, the 2024 Retention Bonuses will not be earned (if at all) until March 22, 2025 and are not reported in the Summary Compensation Table as compensation for the 2023 fiscal year.

Long-Term Incentive Compensation

Long-term incentives are intended to attract, retain and motivate our executive officers, align the interests of our executive officers with Shareholders, and promote ownership of the Company’s equity by our executives. Through ownership in our Shares, executive officers benefit from share price appreciation resulting from the achievement of positive long-term business results.

The Compensation Committee is responsible for approving equity grants for executive officers. The Company generally grants long-term incentives in the form of Restricted Share Units, intended to reinforce share ownership and retention of participants. Equity awards approved by the Compensation Committee are granted after the end of any scheduled blackout period following such approval to ensure that equity grants are not made prior to the release of material non-public information.

Restricted Share Unit grants for 2023 will vest ratably over three years and settle in newly issued Shares. The actual value of the compensation received from Restricted Share Units will depend on the Share price on the date that a participant elects to sell his or her Shares. This relationship reinforces direct alignment with the interests of our Shareholders. In 2023, the Compensation Committee

considered equity compensation practices of the Cronos Peer Group and general industry market data, among other factors and considerations, in making equity grant decisions.

NEO 2023 Long-Term Equity Awards

Based on the considerations described above, the Compensation Committee approved the following long-term incentive grant values for NEOs in 2023:

Current NEO	Number of Restricted Share Units	Number of Options	2023 Long-Term Incentive Grant Value (\$) ⁽¹⁾

Jeffrey Jacobson	177,573	188,317	736,163

Additional Information about Grants of Plan-Based Awards

2020 Omnibus Equity Incentive Plan

Employees (including prospective employees), non-employee directors and consultants of the Company, including each of the NEOs, are eligible to participate in the 2020 Omnibus Plan, which was adopted by the Board on March 29, 2020 and approved by Shareholders on June 25, 2020, and replaced the 2018 Stock Option Plan (the “2018 Option Plan”), the Amended and Restated Stock Option Plan (the “2015 Option Plan”) and the Cronos Group Inc. Employment Inducement Award Plan #1 (collectively, the “Predecessor Plans”). The terms and conditions of the Predecessor Plans continue to remain in effect with respect to awards that were granted under the Predecessor Plans.

The 2020 Omnibus Plan provides for grants of Stock Options (both Stock Options intended to meet the requirements of “incentive stock options” under Section 422 of the Internal Revenue Code and “non-qualified stock options” that do not meet such requirements), share appreciation rights, restricted shares, Restricted Share Units, dividend equivalent rights and performance-based and other share-based or cash-based awards. The 2020 Omnibus Plan is administered by the Compensation Committee. Restricted Share Units and Stock Options reported in the Summary Compensation Table as compensation for the 2021, 2022 and 2023 fiscal years were granted under the 2020 Omnibus Plan.

As discussed under “—Compensation Discussion and Analysis—Elements of Compensation—Long-Term Incentive Compensation” above, annual awards of Restricted Share Units granted for 2023 generally vest on an annual basis over three years.

2018 Option Plan

The 2018 Option Plan is administered by the Board and was last approved by Shareholders on June 28, 2018, replacing the 2015 Option Plan. Stock Options granted between June 28, 2018 and March 29, 2020 were granted under the 2018 Option Plan. The term of each outstanding Stock Option award under the 2018 Option Plan was established by the Board and set out in the Stock Option grant agreement, provided that, pursuant to the terms of the 2018 Option Plan, the term of a Stock Option may not exceed seven years from the date of the grant. Stock Options that would expire during a trading black-out period may be exercised within 10 business days following the end of such trading black-out period, unless such Stock Options are held by holders who are U.S. taxpayers, if the Stock Options have an exercise price that is less than the fair market value of the Shares on the date of the proposed extension.

The 2018 Option Plan also provided for the issuance of “share appreciation rights” in tandem with Stock Options. Such “share appreciation rights” are not separate grants of equity-based awards, but rather reflect the participant’s right to cashless exercise of the Stock Options. Under the terms of the 2018 Option Plan, each “share appreciation right” entitles the holder to surrender to the Company, unexercised, the right to subscribe for Shares pursuant to the related Stock Option and to receive from the Company a number of Shares, rounded down to the next whole Share, with a fair market value on the date of exercise that is equal to the difference between such fair market value and the exercise price under the related Stock Option, multiplied by the number of Shares that cease to be available under the Stock Option as a result of the exercise of the “share appreciation right,” subject to satisfaction of applicable withholding taxes and other source deductions.

Each unexercised “share appreciation right” terminates when the related Stock Option is exercised or the Stock Option terminates, including upon a Change of Control (as discussed below). Upon each exercise of a “share appreciation right,” in respect of a Share covered by a Stock Option, such Stock Option shall be cancelled and shall be of no further force or effect in respect of such Share. If any Stock Option is cancelled in connection with the exercise of the related “share appreciation right,” the aggregate number of Shares that may be issued pursuant to the 2018 Option Plan shall be reduced by the number of Stock Options cancelled in connection with the exercise of such “share appreciation right.”

For purposes of the Gorenstein Agreement, "Disability" generally means a physical or mental incapacity of Mr. Gorenstein that has prevented Mr. Gorenstein from performing his duties for 180 calendar days, whether or not consecutive, out of any 12 consecutive months and that in the opinion of the Board or any committee thereof, acting on the advice from a duly qualified medical practitioner, is likely to continue to a similar degree.

Holm Agreement

Under the Holm Agreement, in the event Mr. Holm's employment is terminated by the Company without Just Cause or he resigns for Good Reason (each, as defined below), subject to the execution of a release in favor of the Company, he would be entitled to:

- (i) a lump-sum severance payment in the amount of his annual base salary;
- (ii) employee benefit continuation for up to one year following termination; and

Upon a termination of employment without Just Cause or a resignation for Good Reason, treatment of any outstanding equity-based awards will be governed by the terms and conditions of any applicable plan and award agreement.

For purposes of the Holm Agreement, "Disability" generally has a substantially similar meaning as the term used in the Gorenstein Agreement, except the determination is made by the Company instead of the Board or a committee thereof.

Shlimak Agreement

Pursuant to the Shlimak Agreement, as amended, upon a termination by the Company of Ms. Shlimak's employment without Just Cause at any time or a resignation by Ms. Shlimak for Good Reason within 24 months of the occurrence of a Change of Control, subject to Ms. Shlimak's execution of a release in favor of the Company, the Company would be required to:

- (i) in lieu of notice, pay Ms. Shlimak an amount equal to two months of base salary in effect at the time of termination plus one month of base salary in effect at the time of termination for each completed year of service with the Company, up to a maximum of 12 months of base salary;
- (ii) continue Ms. Shlimak's group insured benefits, if any, until the end of the severance period calculated under (i) above or the date on which Ms. Shlimak obtains alternate benefit coverage, whichever occurs first, subject to the minimum requirements of applicable employment standards legislation; and
- (iii) a pro-rated annual bonus for the year of termination.

Upon a qualifying termination as described above, Ms. Shlimak's entitlements in respect of equity-based awards will be determined in accordance with the terms and conditions of the applicable plan and award agreement.

For purposes of the Shlimak Agreement, "Disability" generally has a substantially similar meaning as the term used in the Gorenstein Agreement.

Jacobson Agreement

Pursuant to the Jacobson Agreement, upon a termination by the Company of Mr. Jacobson's employment without Just Cause at any time or a resignation by Mr. Jacobson for Good Reason within 24 months of the occurrence of a Change of Control, subject to Mr. Jacobson's execution of a release in favor of the Company, the Company would be required to:

- (i) in lieu of notice, pay Mr. Jacobson the greater of (a) one month of base salary in effect at the time of termination for each completed year of service with the Company, up to a maximum of 12 months of base salary and (b) the minimum termination pay and severance pay entitlements of Mr. Jacobson pursuant to applicable employment standards legislation; and
- (ii) continue Mr. Jacobson's group insured benefits, if any, until the end of the severance period calculated under (i) above or the date on which Mr. Jacobson obtains alternate benefit coverage, whichever occurs first, subject to the minimum requirements of applicable employment standards legislation.

Upon a qualifying termination as described above, Mr. Jacobson's entitlements in respect of equity-based awards will be determined in accordance with the terms and conditions of the applicable plan and award agreement.

The Restated Jacobson Agreement revises the Company's obligations in the event of a Change of Control, among other changes (including with respect to the meaning of "Just Cause" and "Good Reason" discussed below). Under the Restated Jacobson Agreement, upon a qualifying termination as described above, the Company would be required to:

- (i) pay Mr. Jacobson one month of base salary in effect at the time of termination for each completed year of service with the Company, up to a maximum of 12 months of base salary; and
- (ii) continue Mr. Jacobson's group insured benefits at active employee rates for one year following the date of termination or until Mr. Jacobson obtains alternate benefit coverage, whichever occurs first.

For purposes of the Jacobson Agreement, actions constituting "Just Cause" include (i) any act or omission constituting "just cause" for dismissal without notice under applicable law; (ii) Mr. Jacobson's repeated failure or refusal to perform his principal duties and responsibilities after notice from the CEO or other officer of the Company, as applicable; (iii) misappropriation of the funds or property of the Company; (iv) use of alcohol or drugs in violation of the Company's policies on such use or that interferes with Mr. Jacobson's obligations under the applicable agreement, continuing after a single warning; (v) the indictment, arrest or conviction in a court of law for, or the entering of a plea of guilty to, a summary or indictable offense or any crime involving moral turpitude, fraud, dishonesty or theft; (vi) the misuse of Company computers or computer network systems for non-Company business; (vii) engaging in any act (including, without restriction, an act of sexual harassment as determined by the Company) which is a violation of any law, regulation or Company policy; or (viii) any willful or intentional act which injures or could reasonably be expected to injure the reputation, business or business relationships of the Company.

For purposes of the Jacobson Agreement, "Good Reason" generally means the occurrence of any of the following events without Mr. Jacobson's consent: (i) the assignment to Mr. Jacobson of duties materially different than the duties under the Jacobson Agreement; (ii) a material diminution in title, status, seniority, reporting relationship, responsibilities or authority; (iii) a material reduction in base salary; or (iv) relocation of Mr. Jacobson's primary work location except as otherwise permitted under the Jacobson Agreement.

For purposes of the Jacobson Agreement, "Disability" generally has a substantially similar meaning as the term used in the Gorenstein Agreement.

Gorelik Agreement

Pursuant to the employment agreement with Mr. Gorelik (the “Gorelik Agreement”), upon a termination of employment, Mr. Gorelik would be entitled to receive the greater of (i) one-month full base salary for each completed year of service with the Company, subject to a maximum of 12 months and (ii) six months’ full base salary.

The Amended Gorelik Agreement provides that, upon a termination of Mr. Gorelik’s employment without Justifiable Cause before the Scheduled End Date, Mr. Gorelik is entitled to a payment equal to the Base Salary that would have been paid, but for the termination of his employment, during the period from the date on which his employment terminates and the Scheduled End Date.

Each of the NEOs is subject to indefinite confidentiality provisions, as well as non-competition and customer non-solicitation requirements for a period of one year immediately following termination of employment for any reason and employee non-solicitation requirements for a period of two years immediately following termination of employment for any reason for Mr. Jacobson and Ms. Shlimak and one year for Messrs. Gorenstein, Holm and Gorelik.

Long-Term Incentive Awards under the 2020 Omnibus Plan

Mr. Gorenstein

Pursuant to the terms of his award agreements, in the event of the termination of Mr. Gorenstein’s employment due to death, unvested outstanding Restricted Share Units would vest immediately. In the event that his employment is terminated due to Disability, the Restricted Share Units would remain outstanding and continue to vest in accordance with their applicable vesting schedule. In the event that Mr. Gorenstein’s employment terminates without Just Cause or he resigns for Good Reason, the Restricted Share Units would vest immediately.

Although the Company does not typically provide for single-trigger acceleration of equity awards upon a change of control, in order to attract the type of executive talent required to support the Company’s growth and expansion plans, the Company determined, in connection with Mr. Gorenstein’s appointment as CEO and President in March 2022, to grant a one-time equity award that vests upon a Change of Control involving the purchase of the Company’s securities described in Rule 13e-3 under the Exchange Act, all of the 3,000,000 Restricted Share Units granted to Mr. Gorenstein on March 21, 2022 would vest immediately.

If Mr. Gorenstein’s employment is terminated for any other reason, unvested Restricted Share Units will be forfeited.

Gorenstein 2019 Option Award

The treatment of Mr. Gorenstein’s Stock Option award dated May 11, 2019 in the event of termination of his employment and/or a Change of Control (as defined therein) is subject to the terms of the 2018 Option Plan, as described under “Stock Option Plans” below.

Mr. Holm

With respect to Mr. Holm’s Stock Option award granted on November 28, 2022 (the “Holm 2022 Option Award”), in the event that his employment terminates due to death or Disability, the award will remain outstanding and continue to vest in accordance with its vesting schedule set forth in the award agreement and may be exercised at any time within six months following the date of such termination. In the event that Mr. Holm’s employment terminates without Just Cause or he resigns for Good Reason, all unvested Stock Options will become vested as follows and may be exercised at any time within six months following the date of such termination:

- if the date of such termination occurs on or before November 28, 2024, 75% of the total award will become vested; and
- if the date of such termination occurs after November 28, 2024, the award will become fully vested.

In the event that Mr. Holm’s employment terminates without Just Cause or he resigns for Good Reason, in each case, within twenty-four months of a Change of Control involving the purchase of Company securities described in Rule 13e-3 under the Exchange Act, the Holm 2022 Option Award will become fully vested and may be exercised at any time within six months following the date of such termination. Further, in the event that Mr. Holm’s employment terminates without Just Cause or he resigns for Good Reason, in each case, on or within one year after a Change of Control, the Holm 2022 Option Award will become fully vested and exercisable.

Mr. Jacobson

Jacobson 2019 Option Award

The treatment of Mr. Jacobson’s Stock Option award dated May 11, 2019 in the event of termination of his employment and/or a Change of Control is subject to the terms of the 2018 Option Plan, as described under “Stock Option Plans” below

Jacobson 2023 Option Award

With respect to Mr. Jacobson’s Stock Option award granted on March 1, 2023 (the “Jacobson 2023 Option Award”), in the event that his employment terminates due to death or Disability, the award will remain outstanding and continue to vest in accordance with its vesting schedule set forth in the award agreement and may be exercised at any time within six months following the date of such termination. In the event that Mr. Jacobson’s employment terminates without Just Cause or he resigns for Good Reason, all unvested

Stock Options will become vested as follows and may be exercised at any time within six months following the date of such termination:

- if the date of such termination occurs on or before March 1, 2025, 75% of the total award will become vested; and
- if the date of such termination occurs after March 1, 2025, the award will become fully vested.

In the event that Mr. Jacobson's employment terminates without Just Cause or he resigns for Good Reason, in each case, within twenty-four months of a Change of Control involving the purchase of Company securities described in Rule 13e-3 under the Exchange Act, the Jacobson 2023 Option Award will become fully vested and may be exercised at any time within six months following the date of such termination. Further, in the event that Mr. Jacobson's employment terminates without Just Cause or he resigns for Good Reason, in each case, on or within one year after a Change of Control, the Jacobson 2023 Option Award will become fully vested and exercisable.

NEO Restricted Share Unit Awards

Other than with respect to the initial equity award granted to Mr. Gorenstein in connection with his appointment as CEO and President in March 2022, Restricted Share Unit Awards granted to our NEOs contain the following provisions:

- In the event that the other NEOs' employment terminates because of death, all unvested Restricted Share Units will vest.
- In the event that the NEO's employment terminates due to Disability, unvested Restricted Share Units will continue to vest in accordance with their vesting schedule set forth in the agreements.
- In the event that the NEO's employment terminates without Just Cause or the NEO resigns for Good Reason, in each case, on or within one year after a Change of Control, all unvested Restricted Share Units will become fully vested. This reflects the Company's determination to generally structure accelerated vesting of equity awards in connection with a change of control to be "double trigger" in order to align our executive compensation program with good governance practices.
- If the NEO's employment terminates for any other reason, unvested Restricted Share Units will be forfeited.

For purposes of the 2020 Omnibus Plan, "Change of Control" means:

- (a) the consummation of any transaction or series of transactions, including any reorganization, recapitalization, statutory share exchange, consolidation, amalgamation, arrangement, merger or issue of voting shares in the capital of the Company, the result of which is that any person or group of persons acting jointly or in concert for purposes of such transaction or series of transactions, becomes the beneficial owner, directly or indirectly, of more than 50% of the voting securities in the capital of the entity resulting from such transaction or series of transactions or the entity that acquired all or substantially all of the business or assets of the Company in a transaction or series of transactions described in paragraph (b) below (in each case, the "Surviving Company") or the ultimate parent entity that has beneficial ownership of sufficient voting power to elect a majority of the board of directors (or analogous governing body) of the Surviving Company (the "Parent Company"), measured by voting power of the outstanding voting securities eligible to elect members of the board of directors (or the analogous governing body) of the Parent Company (or, if there is no Parent Company, the Surviving Company) rather than the number of securities (but does not include the creation of a holding company or other transaction that does not involve any substantial change in the proportion of direct or indirect beneficial ownership of the voting securities of the Company prior to the consummation of the transaction or series of transactions);
- (b) the direct or indirect sale, transfer or other disposition, in one or a series of transactions, of all or substantially all of the business or assets of the Company, taken as a whole, to any person or group acting jointly or in concert for purposes of such transaction or series of transactions (other than to any affiliates of the Company, which includes Altria); or
- (c) Incumbent Directors during any consecutive 12-month period ceasing to constitute a majority of the Board (for this purpose, "Incumbent Director" means any member of the Board who is a member of the Board immediately prior to the occurrence of a contested election of directors of the Company).

Stock Option Plans

In the event of the termination of a participant's employment, the treatment of Stock Options under the 2018 Option Plan is subject to the discretion of the Board on a case-by-case basis. In the event of the termination of the participant's employment with the Company for cause, each vested and unvested Stock Option granted to that participant immediately terminates and ceases to be exercisable, subject to the discretion of the Board. If a participant's employment with the Company is terminated other than for cause (as defined in an employment agreement with the participant), each Stock Option granted to such participant that has not vested will immediately terminate, subject to the discretion of the Board, and each Stock Option that has vested may be exercised at any time within six months of the date of termination, death or termination date, as the case may be, but in no event later than the original expiration date.

If the Company proposes to undertake a Change of Control, the Board may, in its discretion, accelerate the vesting of all outstanding Stock Options such that each outstanding Stock Option will be fully vested and either (as determined by the Board in its discretion) conditionally (i) exercisable for Shares or (ii) surrendered for a cash payment equal to the difference between the per Share consideration receivable by Shareholders in connection with the transaction resulting in the Change of Control and the exercise price of such Stock Option multiplied by the number of Shares that may be acquired under the particular Stock Option, upon (or where permitted by the Board, prior to) the completion of the Change of Control, provided that the Board may not, in any case, authorize the exercise or surrender of Stock Options beyond the expiration of the original exercise term of the Stock Options.

If, in connection with a Change of Control, the Board does not accelerate the vesting of Stock Options in accordance with the foregoing paragraph and the Stock Options continue, or are assumed, or rights equivalent to the Stock Options are substituted for the Stock Options, by the Surviving Company or Parent Company, or an affiliate thereof, and a participant's employment is terminated by the Company or the Surviving Company or Parent Company or an affiliate of the Company or a successor thereto without cause in the 24-month period following the Change of Control, all unvested Stock Options or substituted rights outstanding on the participant's termination date shall immediately vest, and the participant may exercise such vested Stock Options or substituted rights until the earlier of the expiration of the original exercise term of such Stock Option (or the substituted rights) and 12 months following the participant's termination date, following which any unexercised Stock Options or substituted rights shall terminate and cease to be exercisable.

For the purposes of the 2018 Option Plan, "Change of Control" generally has the same meaning as in the 2020 Omnibus Plan.

CEO PAY RATIO

Set forth below is disclosure regarding the ratio of the annual total compensation of Mr. Gorenstein to that of our median employee (excluding our CEO).

- For 2023, our last completed fiscal year, the annual total compensation of Mr. Gorenstein was \$3,709,925, which amount equals the CEO's total compensation as reported in the "Summary Compensation Table";
- the annual total compensation of the median Cronos employee (excluding Mr. Gorenstein) was \$56,454; and
- the ratio of our CEO's annual total compensation to that of the median Cronos employee was 65.72 to 1.

To identify the median employee, we used the following methodology:

- As a result of changes to our employee population during 2023 in connection with the realignment of our business, the exit of our U.S. operations, and the wind-down and exit of our Cronos Fermentation facility, we used our entire employee population as of December 31, 2023. The jurisdictions included in the analysis were Canada, the United States and Israel, which were the only jurisdictions in which the Company had employees as of December 31, 2023.
- We calculated the amount of annual total cash compensation paid to all of our employees (other than our CEO) using a consistently applied compensation measure defined as the sum of base pay and bonuses and other cash wages and allowances earned during fiscal year 2023.
- Employees with partial year earnings were annualized to full year earnings, assuming consistent earnings.
- All figures shown are in U.S. dollars. The amounts originally in non-U.S. dollars were converted to U.S. dollars using the Bloomberg average exchange rate of C\$1.00 to \$0.7411 and ILS1 to \$0.2716, as applicable, in each case for the 12-month period ended December 31, 2023.

After identifying the median employee, we then determined the median employee's annual total compensation for the year ended December 31, 2023 in accordance with the requirements of the executive compensation rules for the Summary Compensation Table (Item 402(c)(2)(x) of Regulation S-K).

The pay ratio described above is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described above. Because the SEC rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices, the pay ratio reported by other companies, including companies in the Cronos Peer Group, may not be comparable to the pay ratio reported above. Other companies may have different employment and compensation practices, different geographic breadth, perform different types of work, and may use different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios. This information is being provided for informational purposes. Neither the Compensation Committee nor management of the Company used the pay ratio measure in making compensation decisions.

PAY VERSUS PERFORMANCE

In accordance with rules adopted by the SEC, we provide the following disclosure regarding executive compensation for our principal executive officer (the “PEO”) and Non-PEO NEOs and Company performance for the fiscal years listed below. The Compensation Committee did not consider the pay versus performance disclosure below in making its pay decisions for any of the years shown. More information on the Company’s compensation program and decisions for the 2023 performance year can be found in the CD&A.

- (4) The peer group includes Aurora Cannabis Inc., Canopy Growth Corporation, Green Thumb Industries, Inc., Organigram Holdings Inc., Tilray Inc., and Trulieve Cannabis Corp., which is the peer group used for purposes of our performance graph disclosure in our Annual Report on Form 10-K for the year ended December 31, 2023. The comparison assumes \$100 was invested for the period starting December 31, 2019, through the end of the listed year for the Company and for the peer group, respectively. Historical stock performance is not necessarily indicative of future stock performance.
- (5) We determined Adjusted EBITDA to be the most important financial performance measure used to link Company performance to “compensation actually paid” to our CEOs and Non-CEO NEOs in 2023, as required pursuant to Item 402(v) of Regulation S-K. This performance measure may not have been the most important financial performance measure for prior years and we may determine a different financial performance measure to be the most important financial performance measure in future years. Adjusted EBITDA is a non-GAAP financial measure. A reconciliation of Adjusted EBITDA to net income (loss) is included in Appendix B.

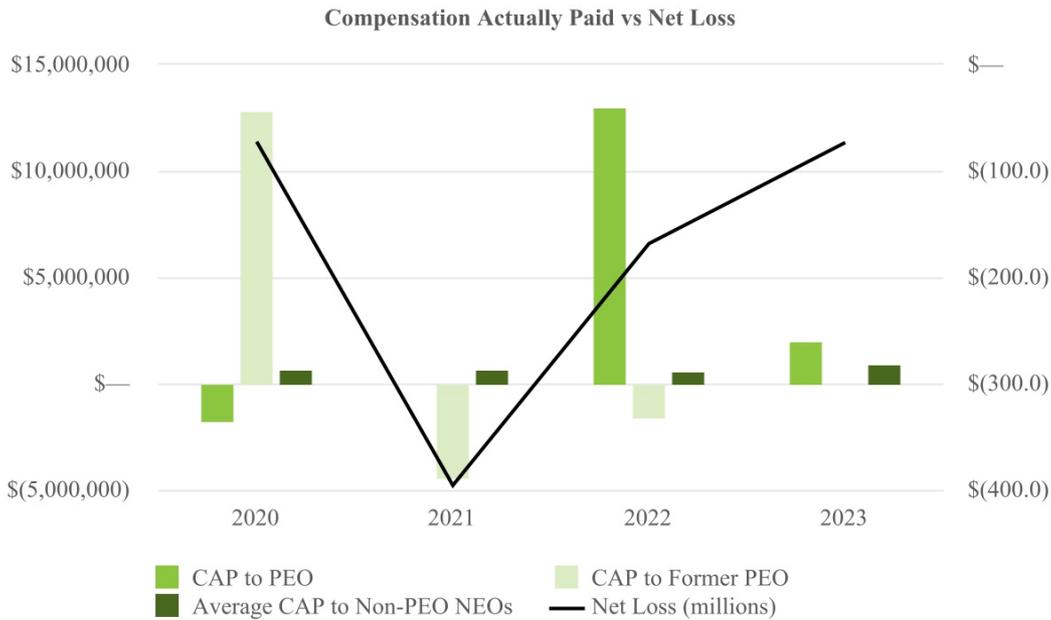

Description of Relationship Between PEO and Non-PEO NEO Compensation Actually Paid and Company and Cronos Peer Group Total Shareholder Return (“TSR”)

The following chart sets forth the relationship between “compensation actually paid” to our PEOs, the average of “compensation actually paid” to our Non-PEO NEOs, and the Company’s cumulative TSR and the Cronos Peer Group’s cumulative TSR over the four most recently completed fiscal years.

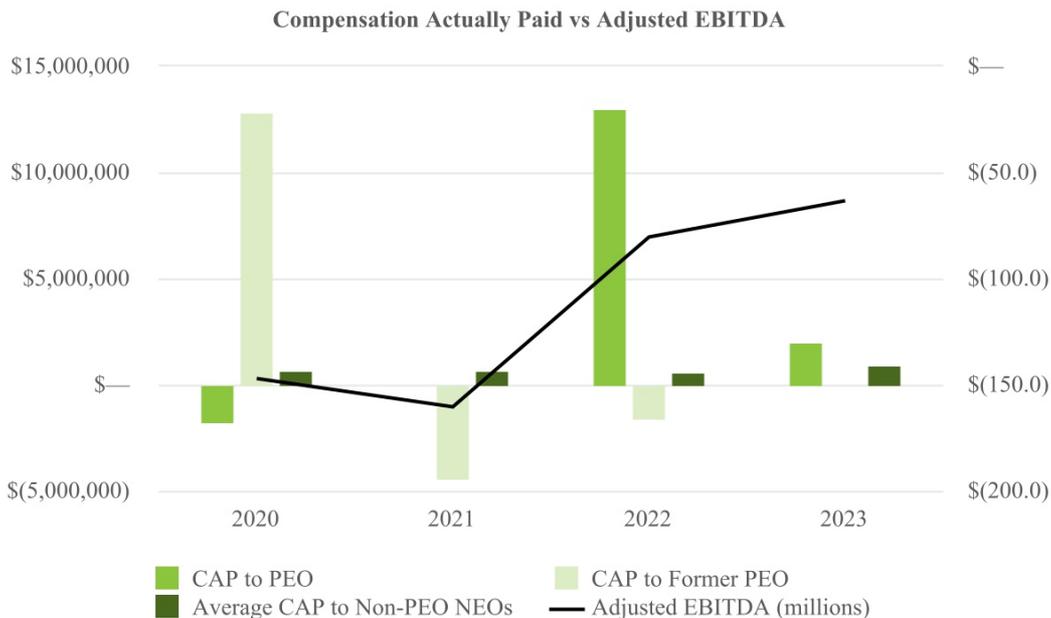

Description of Relationship Between PEO and Non-PEO NEO Compensation Actually Paid and Net Income (Loss)

The following chart sets forth the relationship between “compensation actually paid” to our PEOs, the average of “compensation actually paid” to our Non-PEO NEOs, and our net income (loss) during the four most recently completed fiscal years.

Description of Relationship Between PEO and Non-PEO NEO Compensation Actually Paid and Adjusted EBITDA

The following chart sets forth the relationship between “compensation actually paid” to our PEOs, the average of “compensation actually paid” to our Non-PEO NEOs, and Adjusted EBITDA. Adjusted EBITDA is a non-GAAP financial measure. A reconciliation of Adjusted EBITDA to net income (loss) is included in Appendix B.

Tabular List of Most Important Financial Performance Measures

The following table presents the financial performance measures that the Company considers to have been the most important in linking “compensation actually paid” to our PEOs and non-PEO NEOs for 2023 to Company performance. The measures in this table are not ranked.

Most Important Financial Performance Measures

Net revenue

Adjusted EBITDA

As described in the above CD&A section, the Compensation Committee believes that net revenue and Adjusted EBITDA are the most important goals in its executive compensation program linking pay to performance, with each measure receiving equal weight. The Compensation Committee does not use any other financial performance metrics besides net revenue and Adjusted EBITDA when assessing pay and performance.

DIRECTOR COMPENSATION**Framework for Director Compensation**

In 2022, the Compensation Committee conducted a review of our director compensation program against director compensation programs of companies in the Cronos Peer Group with the assistance of Mercer, its independent compensation consultant, in order to assess whether it is aligned with the market. As a result of this review, the Board adopted a revised remuneration policy for its directors (the “Board Remuneration Policy”) pursuant to which each non-employee director (other than employees of Altria) receives \$50,000 per year for services as a director, an additional \$25,000 per year for the Lead Director, an additional \$20,000 per year for the chair of the Audit Committee, and an additional \$15,000 per year for the chair of the Compensation Committee. Cash fees with respect to Board membership or service as a committee chair are paid assuming 12 consecutive months of service from the date the particular membership or service commences and are paid in quarterly installments. Directors who are executive officers of the Company, within the meaning of such term under the applicable NASDAQ Rules, or employees of Altria do not receive compensation from the Company for their service as directors.

Under the Board Remuneration Policy, each director, other than directors who are executive officers and employees of Altria, is required to hold Shares with a market value equal to three times such director’s annual cash retainer within five years of such director’s appointment or election to the Board. Shares held for purposes of this policy include Shares owned outright by the director or his or her spouse and awarded but unvested Deferred Share Units (as defined below).

Deferred Share Unit Plan

On August 7, 2019, the Board adopted the Deferred Share Unit Plan for Non-Executive Directors, pursuant to which each non-employee director (other than employees of Altria) received in 2019, 2020 and 2021 an annual equity grant in the form of cash-settled deferred share units (“Deferred Share Units”) with a grant date fair value (as determined for financial reporting purposes) of \$119,625 (C\$150,000). In connection with the Board’s adoption of the Board Remuneration Policy in 2022, the amount of the annual grant of Deferred Share Units was increased to \$150,000.

Incentive Plan Awards

All directors were eligible to participate in the 2020 Omnibus Plan and the 2018 Option Plan. No equity awards were granted to any non-employee director under such plans in 2023 and no equity awards remained outstanding under either such plan.

Pursuant to the 2020 Omnibus Plan, no non-employee director may be granted (in any calendar year) total compensation with a value in excess of \$500,000, with the value of any equity-based awards based on the accounting grant date value, except for the calendar year in which a non-employee director (other than employees of Altria) is newly appointed as a member of the Board or is designated the Chairman of the Board or Lead Director, when the limit is \$1,000,000.

2023 Director Compensation Table

The following table lists the individuals who received compensation in 2023 for their service as non-employee directors of the Company.

AUDIT COMMITTEE REPORT

The Audit Committee, which consists entirely of directors who meet the independence requirements of applicable SEC regulations and the NASDAQ Rules for audit committee members, has furnished the following report:

Report of the Audit Committee

The purpose of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company. The Audit Committee operates pursuant to a Charter that was last amended and restated by the Board on April 23, 2024. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements and for the effectiveness of internal control over financial reporting. Management is responsible for maintaining the Company's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements, expressing an opinion as to their conformity with generally accepted accounting principles and annually auditing the Company's internal control over financial reporting.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by applicable standards of the Public Company Accounting Oversight Board and the SEC. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not full-time employees of the Company and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent accountants. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audits of the Company's financial statements and internal control over financial reporting have been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent".

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2023 filed with the SEC.

(2) Tax fees relate to tax compliance and tax advisory services and preparation of U.S. federal and state income tax returns.

PRE-APPROVAL POLICY

The Audit Committee’s policy is to pre-approve all audit and permissible non-audit services expected to be performed by the Company’s independent registered public accounting firm. Pursuant to such policy, the Company’s independent registered public accounting firm cannot be engaged to provide any audit or non-audit services to the Company unless the engagement is pre-approved by the Audit Committee in compliance with the Sarbanes-Oxley Act of 2002.

During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm. The Audit Committee has delegated pre-approval authority to the Chair of the Audit Committee for those instances when pre-approval is needed prior to a scheduled Audit Committee meeting. The Chair of the Audit Committee must report on such approvals at the next scheduled Audit Committee meeting.

All fees and services described in the table above were pre-approved pursuant to this policy.

**PROPOSAL NO. 2—ADVISORY VOTE ON THE COMPENSATION OF
OUR NAMED EXECUTIVE OFFICERS**

As required by federal securities laws, we are seeking a vote on an advisory (non-binding) basis to approve the compensation of the NEOs as disclosed in this Proxy Statement. This proposal, commonly known as a “say-on-pay” proposal, gives Shareholders the opportunity to endorse or not endorse the Company’s executive compensation program and policies. At the Annual Meeting, Shareholders will be asked to consider, and if thought advisable, to approve, on an advisory (non-binding) basis, with or without variation, the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, compensation tables and related narrative discussion contained in the proxy statement, dated April 26, 2024, is hereby approved on an advisory basis.”

As described under “Compensation Discussion and Analysis” above, we believe that our executive compensation program and policies are designed to support the Company’s success by achieving the following objectives:

- positioning the Company competitively among companies against which we compete for talent;
- aligning the interests of our executives with those of our Shareholders by tying significant portions of pay to performance, paying a substantial portion of compensation in equity and subjecting equity compensation to multi-year vesting periods and requiring share ownership; and
- tying executive compensation to performance and achievement of the Company’s short- and long-term business goals and ensuring that compensation varies based on business performance and achievement of individual objectives.

We urge Shareholders to read the section entitled “Compensation Discussion and Analysis” and the related narrative and tabular compensation disclosure included in this Proxy Statement. The section entitled “Compensation Discussion and Analysis” provides detailed information regarding our executive compensation program and policies, as well as the compensation of the NEOs.

Required Vote

With regard to the advisory (non-binding) resolution approving the compensation of the NEOs as disclosed in this Proxy Statement, you may select “For”, “Against” or “Abstain”. Approval of the resolution requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the voting on this proposal.

While this advisory vote on the compensation of the NEOs is not binding on us, our Board or the Compensation Committee, we value the opinions of our Shareholders. Accordingly, our Board and the Compensation Committee will consider the outcome of this advisory vote when making future compensation decisions for our NEOs.

**THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE ADVISORY (NON-BINDING) RESOLUTION APPROVING
THE COMPENSATION OF THE NEOs AS DISCLOSED IN THIS PROXY STATEMENT.**

PROPOSAL NO. 3—APPOINTMENT OF INDEPENDENT AUDITOR

KPMG has served as the Company’s independent auditor since May 18, 2018. A representative of KPMG is expected to be telephonically present at the virtual Annual Meeting, where he or she will be available to respond to appropriate questions and, if he or she desires, to make a statement.

On April 11, 2024, KPMG informed the Company that it will not stand for reappointment for the Company’s 2024 annual audit. KPMG indicated that its notification was a result of its decision to cease providing financial statement audit services to companies in the cannabis industry, regardless of the jurisdiction in which they operate. The Company anticipates that KPMG will continue to review its quarterly interim financial results through the first two fiscal quarters of 2024. Further details can be found in the Current Report on Form 8-K filed with the SEC on April 16, 2024, attached as Appendix C hereto.

The Company has initiated a process to appoint a new independent registered public accounting firm to replace KPMG. As a result, this Proxy Statement does not contain the name of the new independent registered public accounting firm to be recommended for appointment. The Company cannot currently determine with certainty whether that search process will be completed prior to the Annual Meeting on June 20, 2024 and thus is separately asking Shareholders to vote on a proposal to approve any adjournment of the Annual Meeting. See “Proposal No. 4 –Approval of Adjournment of the Annual Meeting” below. Once the search process is complete and the new independent registered public accounting firm to be recommended for appointment is known, the Company will advise the Shareholders whether a representative of the new independent registered public accounting firm will be present at the Annual Meeting, whether he or she will be available to respond to appropriate questions and, if he or she will have the opportunity, if desired, to make a statement. The Company will make a copy of such news release available through our website at <https://ir.thecronosgroup.com> and will make appropriate public filings with the SEC and include the press release on the Company’s profile on SEDAR+ at www.sedarplus.com.

All audit and non-audit services provided by KPMG to the Company and its subsidiaries in fiscal years 2022 and 2023 are described above under “Principal Accountant Fees”. All fees and services described under “Principal Accountant Fees” were pre-approved pursuant to the Audit Committee’s pre-approval policy. In addition, the Audit Committee was responsible for audit fee negotiations with KPMG. KPMG has advised the Audit Committee that it is “independent” of the Company within the meaning of the SEC’s rules and regulations, and those of the Public Company Accounting Oversight Board.

The Company is asking Shareholders to appoint the Company’s independent registered public accounting firm as the Company’s independent auditor for the fiscal year ending December 31, 2024 and to authorize the Board to fix the independent auditor’s remuneration.

Required Vote

With regard to the appointment of the Company’s independent registered public accounting firm to serve as the Company’s independent auditor for the fiscal year ending December 31, 2024 and the authorization of the Board to fix the independent auditor’s remuneration, you may select “For” or “Withhold”. The affirmative vote of a majority of votes cast at the Annual Meeting is necessary to appoint the Company’s independent registered public accounting firm as the Company’s independent auditor for the fiscal year ending December 31, 2024 and authorize the Board to fix the independent auditor’s remuneration. U.S. (but not Canadian) brokers may exercise discretion and vote on this matter and these will be counted as votes cast. Broker non-votes will not be counted as votes cast and will have no effect on the outcome of the voting on this proposal.

THE BOARD AND AUDIT COMMITTEE UNANIMOUSLY RECOMMEND THAT YOU VOTE “FOR” THE APPOINTMENT OF THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM AS THE COMPANY’S INDEPENDENT AUDITOR FOR FISCAL YEAR 2024 AND TO AUTHORIZE THE BOARD TO FIX THE INDEPENDENT AUDITOR’S REMUNERATION.

PROPOSAL NO. 4—APPROVAL OF ADJOURNMENT OF THE ANNUAL MEETING

In light of KPMG LLP’s decision to decline to stand for re-appointment as the Company’s independent registered public account firm to serve as independent auditor, the Audit Committee has commenced a process to identify, and make a recommendation with respect to the appointment by the Shareholders of, a successor independent auditor.

The Company cannot currently determine with certainty whether that search process will be completed prior to the Annual Meeting. We are thus asking Shareholders to vote on a proposal to approve any adjournment of the Annual Meeting (after the completion of the other business of the Meeting described in this Proxy Statement) to a later date to be determined by the Chair of the Meeting, if necessary, to permit the Company to complete the search for a successor auditor (the “Adjournment Proposal”).

If Shareholders approve the Adjournment Proposal, the Annual Meeting could be adjourned in order to complete the search for a successor auditor and to disseminate to Shareholders information regarding the identity of the proposed independent registered public accounting firm to serve as the Company’s independent auditor and to audit the consolidated financial statements of the Company as of and for the fiscal year ending December 31, 2024, together with information regarding the continued Meeting. At the continued Meeting following such adjournment, Shareholders would be asked to vote on the appointment of such successor independent auditor and the authorization of the Board to fix the successor independent auditor’s remuneration.

Required Vote

With regard to the Adjournment Proposal, you may select “For”, “Against” or “Abstain”. The Adjournment Proposal requires the affirmative vote of a majority of votes cast at the Annual Meeting. U.S. (but not Canadian) brokers may exercise discretion and vote on this matter and these will be counted as votes cast. Abstentions or broker non-votes will not be counted as votes cast in determining whether the requisite threshold of votes cast has approved the proposal.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE ADJOURNMENT PROPOSAL.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Delinquent Section 16(a) Reports

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires the Company’s directors and executive officers and persons who beneficially own more than ten percent of a registered class of the Company’s equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of equity securities of the Company. Directors, officers and greater-than-ten-percent beneficial owners are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms filed by them. To the Company’s knowledge, based solely on a review of the copies of such filings on file with the Company and written representations from the Company’s directors and executive officers, all Section 16(a) filing requirements applicable to the Company’s directors, executive officers and greater-than-ten-percent beneficial owners were complied with on a timely basis for fiscal year 2023, except that (a) a delinquent Form 4 filing for Arye Weigensberg was filed on December 15, 2023, which Form 4 disclosed three transactions, (b) delinquent Form 4 filings for Michael Gorenstein, Jeffrey Jacobson, Shannon Buggy, Ran Gorelik, James Holm, Arye Weigensberg, Terry Doucet, Anna Shlimak, and Carlos Cortez were filed on March 21, 2023, each of which disclosed one transaction, (c) a delinquent Form 4 filing for Jimmy McGinness was filed on March 12, 2024, which Form 4 disclosed two transactions, and (d) a delinquent Form 4 filing for Ran Gorelik was filed on April 10, 2024, which Form 4 disclosed one transaction.

OTHER BUSINESS

If any matters other than those referred to in the Notice of Annual Meeting properly come before the Annual Meeting, the individuals named in the accompanying proxy card or voting instruction form will vote the proxies held by them in accordance with their best judgment. As of the date of this Proxy Statement, Cronos is not aware of any business other than the items referred to in the Notice of Annual Meeting that will be considered at the Annual Meeting.

SHAREHOLDER PROPOSALS FOR THE 2025 ANNUAL MEETING

Cronos is subject to both the rules of the SEC under the Exchange Act and the provisions of the BCBCA with respect to Shareholder proposals. As clearly indicated under the BCBCA and the rules of the SEC under the Exchange Act, simply submitting a Shareholder proposal does not guarantee its inclusion in the proxy materials.

Shareholders who, in accordance with the SEC’s Rule 14a-8, wish to present proposals for inclusion in the proxy materials to be distributed by us in connection with our 2025 annual meeting of Shareholders must submit their proposals to the Corporate Secretary of the Company on or before January 9, 2025 (which is 120 calendar days before the anniversary of the date this Proxy Statement was first sent to Shareholders), to be eligible for inclusion in our proxy statement and proxy card or voting instruction form relating to that meeting. In the event that we hold our 2025 annual meeting of Shareholders more than 30 days before or after the one-year anniversary date of the Annual Meeting, we will disclose the new deadline by which Shareholders’ proposals must be received by any means reasonably calculated to inform Shareholders.

Shareholders who, in accordance with the BCBCA, wish to present proposals for inclusion in the proxy materials to be distributed by us in connection with our 2025 annual meeting of Shareholders must submit their proposals on or before March 20, 2025 (which is three months before the anniversary of the Annual Meeting).

A Shareholder may also nominate a person for election as a director of Cronos at an annual meeting of Shareholders, other than pursuant to a Shareholder proposal under the rules of the SEC under the Exchange Act and the provisions of the BCBCA, by complying with the procedures set forth in the Company’s Advance Notice Requirements.

In addition to satisfying the foregoing requirements, to comply with the universal proxy rules, Shareholders who intend to solicit proxies in support of director nominees (other than the Company’s nominees) must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 21, 2025.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Intermediaries and other holders of record may be participating in the practice of “householding” proxy statements and annual reports. This means that only one copy of the proxy materials may have been sent to multiple Shareholders in your household. If you want to receive separate copies of the proxy materials in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your Intermediary or other holder of record, or you may contact the Corporate Secretary of the Company. However, please note that if you received a Notice of Internet Availability and want to receive a paper proxy or voting instruction form or other proxy materials with respect to the Annual Meeting, you should follow the instructions to request such materials included in the Notice of Internet Availability that was sent to you.

APPENDIX A—BOARD MANDATE

CRONOS GROUP INC.

BOARD MANDATE

This Mandate was approved by the Board of Directors of Cronos Group Inc. as of March 25, 2021.

1. Purpose

The Board of Directors (the “**Board**”) has the duty to supervise the management of the business and affairs of Cronos Group Inc. (the “**Corporation**”). The Board, directly and through its committees and the chair of the Board (the “**Chair**”) or, if applicable, the independent director appointed as “**Lead Director**” (as discussed herein), shall provide direction to senior management, generally through the President and Chief Executive Officer, to pursue the best interests of the Corporation.

2. Composition

General

The composition and organization of the Board, including the number, qualifications and remuneration of directors, the number of Board meetings, quorum requirements, meeting procedures and notices of meetings are governed by the *Business Corporations Act* (British Columbia), applicable Canadian securities laws, applicable stock exchange rules and policies and the articles of the Corporation, in each case as they may be amended and/or replaced from time to time, subject to any exemptions or relief that may be granted from such requirements.

Each director should seek to have an understanding of the Corporation’s principal operational and financial objectives, plans and strategies, and financial position and performance. Directors should seek to have sufficient time to carry out their duties and not assume responsibilities that would materially interfere with, or be incompatible with, Board membership. Item 4.01. Changes in Registrant’s Certifying Accountant.

On April 11, 2024, KPMG LLP (“KPMG”), the current independent registered public accounting firm of Cronos Group Inc. (the “Company”), informed the Company that it will not stand for re appointment for the Company’s 2024 annual audit. KPMG indicated that its notification was a result of its decision to cease providing financial statement audit services to companies in the cannabis industry, regardless of the jurisdiction in which they operate. The Company anticipates that KPMG will continue to review its quarterly interim financial results through the first two fiscal quarters of 2024. The Company intends to promptly initiate a process to appoint a new independent registered public accounting firm.

KPMG did not seek the Company’s consent to its decision to not stand for re-appointment as the Company’s independent registered public accounting firm. As a result, neither the Company’s Board of Directors nor the Audit Committee of the Company’s Board of Directors participated in KPMG’s decision.

KPMG issued unqualified reports on the Company’s consolidated financial statements for the fiscal years ended December 31, 2023 and 2022, as well as an unqualified report on the effectiveness of the Company’s internal control over financial reporting for the year ended December 31, 2023. KPMG issued an adverse opinion on the Company’s internal control over financial reporting as of the year ended December 31, 2022 due to the existence of a material weakness.

During the Company’s fiscal years ended December 31, 2022 and 2023, and the subsequent interim period through April 12, 2024, there were no “disagreements” between the Company and KPMG within the meaning of Item 304(a)(1)(iv) of Regulation S-K or “reportable events” within the meaning of Item 304(a)(1)(v) of Regulation S-K (other than the material weakness referred to above) with respect to the Company.

In accordance with Item 304(a)(3) of Regulation S-K, the Company provided KPMG with a copy of the disclosures it is making in this Current Report on Form 8-K and requested from KPMG a letter addressed to the Securities and Exchange Commission indicating whether it agrees with such disclosures. A copy of KPMG’s letter dated April 16, 2024 is attached as Exhibit 16.1 hereto.

Our report on the effectiveness of internal control over financial reporting as of December 31, 2023 did not contain an adverse opinion or disclaimer of opinion. Our report on the effectiveness of internal control over financial reporting as of December 31, 2022, dated February 28, 2023, indicates that the Company did not maintain effective internal control over financial reporting because of the effect of a material weakness on the achievement of the objectives of the control criteria and contains an explanatory paragraph that states a material weakness related to the design and maintenance of effective controls over Information Technology General Controls, pertaining to user access management and the provisioning and monitoring of user access, including privileged access was identified by management.

On April 11, 2024, we notified the Company that we decided to decline to stand for re-appointment as the registered public accounting firm of the Company, but that we will remain the Company's independent registered public accounting firm until the completion of our review of the consolidated interim financial statements of the Company and its subsidiaries as of and for the three months ended March 31, 2024, and if requested by the Company, as of and for three and six months ended June 30, 2024.
