Cannabis oil sales represent 29% of domestic medical patient revenue in Q1 2018

TORONTO, May 15, 2018 /CNW/ - Cronos Group Inc. (NASDAQ, TSX-V: CRON) ("**Cronos Group**" or the "**Company**") today announced financial results for the first quarter ended March 31, 2018.

"We are pleased that the strategic initiatives launched in 2017 are coming to fruition," said Mike Gorenstein, CEO of Cronos Group. "2017 was a building block year which set the groundwork and foundation for the results achieved in the first quarter. Cronos is focused on continuing to increase capacity in order to serve existing distribution and newly established markets, developing intellectual property and launching recreational brands."

First Quarter 2018 Highlights

- Sales were \$2.9 million for the first quarter of 2018 as compared to \$0.5 million for the first quarter of 2017, representing an increase of \$2.4 million, or 473%. Compared to the fourth quarter of 2017, sales increased by \$1.3 million, or 83%, for the first quarter of 2018.
- Since November 2017 when Health Canada approved the Company's new extraction laboratory, Cronos Group has ramped-up production of strain-specific cannabis oils that have been received favorably by customers.
